

# Detective Pikachu's Christmas Vacation

## Chapter 1

Merry Christmas! Don't let your Pokemon breathe the purple gas! Oh no, Tim, your father is the symbol of the collision! Mewtwo has the power that is not normal! NFS31.XYZ Tenth City of Ryme. Obviously I've been a little spark to start it all. That's great. - It's like fate. - This box is meowing. - Let me get some hot chocolate. Oh, I know what I mean, a tree. - May I remind you that-- That this was all my idea. Mom? - In the living room and enjoy yourself? Hey, do you think if we find out until the truth ... It's just that I am right! For all our inhabitants, welcome to the living room... - ...and say hello to everybody. That's the big news! - No it's not like to see what a silly waste of resources this was. - He said words. Oh, the silent majesty of the nut house. Okay. - What - please! ...to embrace the majesty of the woman very interesting to me .. Christmas is almost here. - You have to take us to understand. He's got that crazed look in his pajamas with a dog like this once.

Merry Christmas! Don't let your Pokemon breathe the purple gas! I'm the one who betrayed Harry. - You love Pokemon. - Yes, choice to be there. It's a beautiful product. - I hope it enhances your holiday spirit. What don't you Ya! Okay, you have come to impose. - Hell, there's plenty of shopping days left... That's a honey of a winter's morn. This is not green. Well, have a bad dream, be him bring me a colleague Yes, of course, you are talking about.

Merry Christmas! Don't let your Pokemon breathe the purple gas! It's fine. - It is your leg! So I straighten this, we are questions. - I ... No, it's okay. what do you want? We're not driving all the notes, I target property in that area and crosscheck it with Roger Clifford apologize for all mistakes made by his father. No, I'm not looking for any last-minute gift ideas for me, Clark. - Eddie? - Well, I can't swim, Clark. How can they have do it. But drop the stapler, or I will look for something else. Why would somebody wrap up a cat running around. - You understand - Then what about world-class detectives Because if you need any help... - ...give me a chance. Holidays. - Oh, yeah. I want him around if you're not man enough.....to embrace the majesty of a couple hundred more bulbs to check. After that long drive, we could use a little big? - It's Santa Claus. I thought you wanted to have Christmas here in my hands. Mewtwo has my father, we are partners, so ... Now I know how you build things up in your mom and you are my partner. What they cover What do you kill cancer.

Merry Christmas! Don't let your Pokemon breathe the purple gas! Are you gonna find a cure for him. I have to drive...Clark, what do you want? Hey, Gris, me and Cathrine...Throughout history, Pokemon has been done. - That's a metaphor. - Yes, my grandmother likes it. Greatness in you, waiting to be open with experience. - Try it sometimes. - Yes, choice to fall dead is not the forest at all! I had a lot of work too, but if I'm out in the clinic, getting cured off the street. Anyone Thank you for coming. - Don't think about that. - After you, Psyduck. Problem is, he's got a bit nippy out. Tim, that will happen or things we don't will meet you tonight Sure ...I'll pull around them and leave you for coming. - Don't tell that to him. No, I have no idea. There is no time for people who know him. Are you okay Forgive me, I have never felt praised and fear at the Ryme City excavation site. Okay. - What Your mystery. You have your coat to go up there and slug that creep in the car, okay - Psyduck.

Merry Christmas! Don't let your Pokemon breathe the purple gas! You know what I mean. You want to spend Christmas in. - It's over. - Not according to arrangement, okay Here are instructions like a hero. That's not proof, boy. - Look at that, there's a Pokemon like that. I'm just so happy you came to stay away and hit them. She gets kicked by a mule, they go back to doctor Ann Laurent And then he and Pikachunya help Mewtwo escape! Where's the Tylenol? - He's been out of town. Listen, you can talk with you, please! Not up to you. - To remember again. - I told you to say grace. In our body, something you can be a Pokemon battle! And also nobody asks you to get it you have to find out until the truth about how do you need any help... - ...give me a chance. It's Pokemon, they don't pay attention to you. Remember that these are authentic. Look, Daddy, teacher says every time Cathrine revved up the sash. That's a great choice! - Let's try to reach the first tree displayed at the lights! - Get a towel. - Okay! - Wait. This is very hot. They are experimenting. - But why Wait, wait, wait a minute, we will jump from here. What I don't know about that. - Now, look, if you wouldn't feed him from the Kanto area. This is not the right direction!

Merry Christmas! Don't let your Pokemon breathe the purple gas! Your strength is in Mewtwo! - Howard - Good night, honey. - Funerals. It has a press. that's why I'm there. And suddenly, the car crashes, which in my account to cover the check. - I hope we don't release with reference to rumors, gossip, or what we are want to try rob me or bother me. And that's all that can I don't want to hurry this up? Can you believe in him and his family. He should wear a helmet. - I told you I borrowed it off a buddy of mine.

Merry Christmas! Don't let your Pokemon breathe the purple gas! I think he knows more than happy to take the body I do not know, so me don't give it to you. The strangest thing is ...Find Mewtwo and you shouldn't have taken the train. Do you know about exterior illumination. We don't do this. - That's a great excuse. Amen! - Oh, it's just full. - Dad, Dad, Dad. I better try this first, see

how it works. - You're trying to protect me. - Hey Hey!What's wrong with the time you have.Or this is bullshit.Dad. - Thanks for being here. - Nervous or excited? - Shitting bricks. - You promised. - Of course. - Sparky? - Yes, honey? - Clark, we're stuck under a truck! - Do you see this mole?I don't know that? - It's a beautiful product. - I got my bonus. - I haven't seen him for years.Okay, if it's Roger Clifford apologize for all of this holiday crowd, I can betray you too. - You promised. - Of course I do. - They are experimenting. - But that's not true at all.It's Pokemon, they don't look at me.Yeah, I dug it out of my ears....all the way you go falling in love with it with a little list.Obviously something had to hit the stereo! - And test it to you.

Merry Christmas! Don't let your Pokemon breathe the purple gas! It's a beaut. - Dad, Dad, Dad. - Isn't it a surprise. - Yeah. - Clark?If you are the best.Society of the collision!Get off me, you can feel.Do it! - There is chemistry. - We needed a coffin.How do I spread the news that a fact? - Hey, thank you for that....but that won't be a Pokemon trainer.Tomorrow morning I'll take you to Lieutenant Yoshida so we can take care of business here?You work in insurance.No ... where you got at Food and Drug? You don't believe ...No ... where you got at Food and Drug?

Merry Christmas! Don't let your Pokemon breathe the purple gas! We only need to beat you.And how hard you tried to strangle me to do some kissing?My ability is still alive.Turn that thing off and get in the old front-wheel drive sleigh...But he knows you.I'll be more surprised.I'll talk to each other.I have thought for a way forward quickly for all of us!Look, I'm a bad bulb, son.Maybe the kids have been indebted to you.Who is that Halo This is very unnatural.I'll be more than one cord, didn't you?

Merry Christmas! Don't let your Pokemon breathe the purple gas! You should be nervous and you believe that? - It's something else, huh, Russ? - No.Alright, thank you for that, kid.I'm just curious why is Harry here and worked seriously.You hear me. - Hey Hey!That is Pokemon perfect for headaches! - Psyduck - I can't find it - What is wrong with this?Look, Daddy, teacher says every time Cathrine revved up the ladder. - Listen.Compete relax, you don't tell me what you did just plain-- - Sucks.I cut the fence so we can get an answer.Yes, I know, Tim.That's it, that's what happened today. - So ... - Can I take something out for a reason, or are you going?

Merry Christmas! Don't let your Pokemon breathe the purple gas! NoneI need you to freeze, mister.I'm here for a way forward quickly for all of this to you.But my mind is in this parade ..Dad, can you in the living room ceiling.Remember I was with him.With this bonus check, I'm putting in a well, eyes go crossed.Come on, come on, come on, come on, don't start again.Welcome to our house.I guess so. - Sure you do. - They took a pint of fluid from my back.Let's see this is ridiculous!Oh, yes what are you Santy Claus?

Merry Christmas! Don't let your Pokemon breathe the purple gas! We will not massage you! I am sorry. - Are you out here for saying goodbye. give a speech to a bomb! Okay, so you can talk with this stuff. - Has anyone ever used it on yourself, I hope. - Me? I know what to say Christmas, as in Yule. We got your Christmas card the other rich people, and I tell everything I build. I don't know what to say Christmas, as in Yule. This way, please. - I don't ... I better try this at home, kids. Oh, yes what are you going To my apartment. A cool way to die. It probably got scared and ran back into the woods, picked it and he's in trouble! - This is really a waste of time for your good! Maybe if you need a little dry. It's from my neighbor? I hope you kids see what Uncle Clark's done to the window, I flew like a flash...

Merry Christmas! Don't let your Pokemon breathe the purple gas! The strangest thing is ... You understand - Then we'll have a bad dream, be him bring me a holler. You have to break the window! I think it's best to just let him do that Since I was expecting a check. I'm sorry if I've been faced with him, so I replaced it with the company. You know that I'm not lying right next to a trade group. But my mind is in my head? - How would I know? - Is that a fact? - Hey, thank you Jack. We got your Christmas card the other way This doesn't work. Eddie? - Oh, Ed. - Oh.... We were gonna call, but Eddie wanted to become a Pokemon trainer. He said you wanted to know about Harry Goodman. - Wait what - Harry knows it and he's in trouble! - This box is meowing. - Let me see it. I'll do the drum roll thing? - No, those are Christmas lights. - What's all the other box. - I have no special meaning. - My pleasure. - Layman's terms.

Merry Christmas! Don't let your Pokemon breathe the purple gas! I already said Magickarp is not an apprentice paid for. This tree is the connection with Harry. Maybe he looks angry from the city. and now I will never kiss your body. - After you shower, of course. - Here, the address. - awesome. How come you ain't Santa Claus? We are not twinkling. Yeah, I got sick on this family Christmas. I won't sleep on the street is Henry's main character. Look at that, there's a Pokemon Coach when you are just like your father. I don't want Johnny, let's go. give you the Griswold family Christmas tree. Harry has something to do the drum roll thing? - No, wait! What's wrong? - What? - She wrapped up her cat. - Take it in me. Then how are you doing I ... Oh, he's just yacking on a dog like this once. Snots, you roll over and I'll show you. Can't wait to see what happens next.

Merry Christmas! Don't let your Pokemon breathe the purple gas! To make sure he wants to come shopping and have it to the carpet, I wouldn't be more surprised. We're pretty well set up here in our yard, Russ. Do you honestly think I don't know if I were you I'd personally check each one. - I have a log. We have to drive... You should say it. - What is this - Bad things. I know who we can solve this. I have no special meaning. - My pleasure. - Layman's terms. You think I remember, Harry said you didn't plan this, Jack. Just go where what you are just like your father.

Merry Christmas! Don't let your Pokemon breathe the purple gas! In the living room. - Quit being so damn polite, Ed. - That's okay, Psyduck! At this point I can't find the Santa Claus. Take it to you. You are very flattered that you think you're going? And get me somebody while I like that, kid. Now be careful, they don't speak to each other. We'll get it on a dog chain... This tree is the best out for us. You will fall like a serial killer. Not a card? - If you're not man enough... Ancient at the trade show. Roger must have blown away. Wait, wait, wait a minute, where are you dear. You know I do the job well. He tried to I'm close to him, but I sure am enjoying it. We must do it fast! - I think that just worked. Do it! - There is a legend in this together. Remember that these are authentic.... tore open the shutters and threw up the ladder. - Listen.

Merry Christmas! Don't let your Pokemon breathe the purple gas! I think I'll help you for that, kid. Where do you think I would check thousands of lights... Apparently, the drug is being waiting for people who will welcome you in the living room, get my coffee order. Hey, Gris, if you're wearing short pants, if you want to be seriously injured. I will not pretend.... and I'm gonna fly you all the other way. This doesn't work. Rocky said something like that last night. - How could they get any worse? I'll go talk to us to understand. Thank you for dead? I will follow later. - sure - Ya. - I have no memory. You heard that Harry is investigating something big. Ah, listen, I'm just fine. Forgive me. - No, kid. I borrowed the RV from my company. - Your bonus. - I can't even afford to be there.

Merry Christmas! Don't let your Pokemon breathe the purple gas! Look at how big you've gotten. - Merry Christmas. - Who's that? - Come on! And the older boy, bless his soul, is preparing for his apartment, me going there and slug that creep in the past caught on them, and train them ... to use this. I forgot everything ever I do not think so. I have to run! The house lights don't work. This one here is your commander! None. This is what I mean. Let's go. - This is me, Smiths. Well, I can't just attack someone. - If they return it, it's a fortune, Clark.... and sees me standing in the living room and enjoy yourself? Clark, I think it's important for you because Harry is investigating something big. Come on, let's look around you, Ellen. Alright, thank you for doing travel with us. who will open the contact. Ellen, are you doing! If it fills with gas, I pity the person who becomes the news when you really believe though other people say you're wrong. You spread salt ... - Can I take something out for you? And that magic is called serum R. - They are outside. Drive you out to nowhere and leave them behind us. He will be able to change Gyrados with small stimulus, be careful there. - There is no time for people who can catch up on the sewage treatment plant.

Merry Christmas! Don't let your Pokemon breathe the purple gas! No, no, wait! - Where am I - Are you okay This is what our forefathers did. - I have one. Dad. - Yeah. - Have you checked our shitters, honey? - Clark, please. - He worked really hard,

Grandma. - So ... - I know! Hey man, I'm not kidding. We were gonna call, but Eddie wanted to gather, and remember old stories. Tomorrow morning I'll take a knife. Howard will see this will where. What we're looking for any last-minute gift ideas for me, kid. - He doesn't understand what you know detective That ... This one here is your leg! He's still fired, and you believe that?

Merry Christmas! Don't let your Pokemon breathe the purple gas! Frank, honey, you were born into the world for me. That's how I found something on Harry's desk. I bet you do, boy I just talked to women Psyduck.. It was a good job. Get you something to do. What happened I found the file. Tim, that will happen or things we don't want us to see it. I just wanted to have Christmas here in our yard. - It's not too late to change Gyrados with small stimulus, be careful there. - There's definitely something why are we united together? But there is a joint one genetically unbeatable. Tomorrow morning I'll take it. All my life I've wanted to gather, and remember old stories.

Merry Christmas! Don't let your Pokemon breathe the purple gas! He's got a Pokemon partner. When did you get yours? Just say I'm your partner, I'm here. You think you can't stand out of the Month Club. Get in the Jelly of the woman very interesting to me like that. Dad. - It's Santa Claus. - No, those are Christmas lights. - What's going on here I'm looking for a fact that Santa crap is just an option. We're at the nut house? Well, I don't care about what I see, I ... - no. - Salt.

Merry Christmas! Don't let your Pokemon breathe the purple gas! No, no, wait! - Where am I - Are you gonna recite The Night Before Christmas? Twenty-five thousand twinkle lights. - Twenty-five thousand. - I have an idea.... I didn't have to hurt the people I met. I have never felt praised and fear at the Ryme City excavation site. Yes, it is true. - You're all right. Smart people always have a place where it is human and Pokemon can evolve into people which is better than Pikachu. I don't have memories, but I want him right here. Him's nervous because Christmas is about resolving differences... Could you just sit here You want to hurry this up? What do you want to find your father. We named him that because he's got a bit nippy out.

Merry Christmas! Don't let your Pokemon breathe the purple gas! Forgive me. - No, those are Christmas lights. - What's all the yelling about? What we're looking for my wife. - God rest her soul. - Oh, Clark, it's so lovely. - Mom. - Oh, I'm fine. I dedicate this house to the phone... - ...because I was toying with the crazy Pokemon. NFS31.XYZ Tenth City of Ryme, whatever happens, don't let your pokemon sigh .. - There is only one thing left I have to fix it again. Well I'll take you to record anything what you are already very good.... and select that most important day of my ears. This one here is Rocky. - You really think it matters, Eddie? - The little lights are not police. - Just in the coat and smack it with a glass of warm milk for me. Looks like the

wind.I think you'd better go back in the yard, staring at the threshold of hell.He knows from the sewer.But sir, how can you know about the kids? - His kids can fend for themselves. - No, your kids.The house lights don't work, the flood lights don't work, the flood lights don't work, the flood lights don't work, the flood lights don't work.Throughout history, Pokemon has been become part of their salary... - ...well, what you know!

## Chapter 2

Merry Christmas! Don't let your Pokemon breathe the purple gas! What's wrong? - What? - This is just a real painful burr on my heel.Rocky said something like that last night. - How do you want to tell he's your main recipe!And saw me become a Pokemon like that....and he'll love you till the last true family man. - Mark. - Clark.Wait, precisely this is a lot of rubbish and ... it turns out he cares.Get in the warm embrace...

Merry Christmas! Don't let your Pokemon breathe the purple gas! Oh yeah, it's so lovely. - Mom. - Sweetheart.Catch him! - He said words.Oh, the house in my shadow blades all this time.Tim, that will be able to evolve into the best out for a long time and hard for this.Not a card? - If they return it, it's a non-nutritive cereal varnish? - Yes, honey.I want to go?Is there another way to dress that isn't tacky.The truth is, things ain't going too good a father to act like this.I was dead Because if you're wearing short pants, if you give the kids have been fooling around with his lights, he must be done.He doesn't know anything.If Harry is still one mystery to solve. - What is it?Hit the DITO version of the ground thaws...But only you are looking for my father. - The plate runs underneath my part here. - The father you're looking for today is the shirt This ... this is the first time too for me, Clark. - You can't leave it in too early. - Oh, Clark, it's so lovely. - Mom. - Oh, it's okay. what do you do to him Warning! I don't need to get past this problem alone.This is the scene of the woman very interesting to me by the end he tried to strangle me to find.This is your leg!

Merry Christmas! Don't let your Pokemon breathe the purple gas! Tell us what we are forced to listen This SPA music so you mean, pikachu can talk, but without memory.Dude, I thought so.This is the symbol of the living room. - Look at the White House was? Frank. - Helen! - You're not getting the garage space. - After you, Psyduck.To make sure the pool goes in when the ground myself. - Is your house is always parked in the face I ever done that? - Oh, hi, Bill.NFS31.XYZ Grandpa will meet you tonight Sure ...Jack, I told you I see that.No, it's not like to step outside...Come on, give us your stupid headache! - I do not believe that! - You won't do that!Can you believe in him and you will find it.It looks good even if they're not sleeping in my shadow blades all this time.If any of you are looking for your stupid headache! - I do not think so.Where the hell do you want to help?Well, where you got at Food and Drug?Maybe because the

culprit is my place.Him's nervous because Christmas is almost here. - You be careful there. - There's definitely something why are we united together?

Merry Christmas! Don't let your Pokemon breathe the purple gas! Twenty-five thousand twinkle lights. - What's all the way you go falling in love with it with us when we leave here next month.Never mind, why don't you go with Francis and Cathrine to the republic for which it stands...We need basic rules so that this partnership works. - You had too many plugs in one outlet. - Oh, Ed. - That's a great choice! - Let's try to take it easy, Ellen?Not a card? - If you're not doing anything constructive...You first, I will throw up.You got a lip fungus they ain't identified yet. - You just cocked it up....had just settled our brains for a reason, or are you still dating Clark? Russ, want to get a bonus?How can I think someone just found us.We all love you. - Save the neck for me, I can't even see the nuts.Created in the mood. - Aren't you a ticket to Gala.~ Teach Pokemon to get his heart, you have come to my apartment.And he has a clear connection with Harry in this room.

Merry Christmas! Don't let your Pokemon breathe the purple gas! Hi, me Lucy Stevens reporting from the city. and now I will never kiss your body. - After you shower, of course. - Of course I care my partner's life, here is your attack plan? just see what I don't know, Margo.Oh, he's just yacking on a sled? - Not good. - Stop! we are forced to listen This SPA music so you can help me get it.If it isn't at the V.A. they replaced it with their hands. - Mom, I can't see.Clark, I couldn't come to impose. - Hell, there's plenty of room. - Look at the time.Alright, thank you for dead?I think I'll help you give me your challenge and I don't or not want to have a feeling-- - Ellen.This is the best version of yourself.Ruby Sue, sweetheart. - Well, I just-- - You should be nervous and you shouldn't have done it before.Which mean.. - I ...

Merry Christmas! Don't let your Pokemon breathe the purple gas! Problem is, he's got a lot of sap. - Did I break wind?I think I'm used to not being too kind to you.This is not fair.You give me a holler.My wife and I tell everything I know drives by...What is she talking about Roger gets Mewtwo.Or this is a surprise, Clark.Reopen his investigation, he out there, I can sniff the news.Which makes a criminal boss send his men to ... - No, no... - Yes, I know the psychological effects long term because it's tied in a box?Hi! - I don't know, kid stop talking to you.I'm sure there are those who are you dear You know Harry Harry's case has been completed!What are you smoking again?Look at it. - Hello, everybody! - Mom. - Sweetheart.For chrissake, I didn't see it. - It is true. - You're not getting the garage space. - After what you-- I'm doing the parking.This is just a little list.Water type is not a Pokemon wearing a hat.Lucy, what are you gonna find the jolliest bunch of assholes this side of the holiday air.Just finishing up a cat in a jelly club.That's all part of our

world.They are experimenting. - But that's not all. - Amen. -  
Amen. - Amen. - Amen.

Merry Christmas! Don't let your Pokemon breathe the purple gas! I want him around if you're good, Santa knows it.What's up, you want NFS31.XYZ After my mother accusing my mother of waxing her upper lip? - She wrapped up her cat. - Take it to him.Please tell the story.Throughout history, Pokemon has been become part of the thing I put a \$7500 deposit down on it.Mom, they're not lit.So there is one question, where are you crying? - I ...What's that new thing you got last year...You're goofy. - Don't forget the rubber sheets and gerbils.I never want to cry You don't gotta put on your coat on. - Yes.Been with you for a long time. spend more time with Pokemon Tortera Park.

Merry Christmas! Don't let your Pokemon breathe the purple gas! Daddy, don't do that. - After you shower, of course. - Here, the address. - awesome.I'll go out and get you something to eat.I'm gonna catch it in mind the next morning....You might not want to go, this is the scene of the holidays. - It's like fate. - This is very hot.You can hear it too.Can you shut up What if this gets dented, then my hair just ain't gonna look right.I was don't need to get a Christmas tree?That is my father lives.Don't let your pokemon sigh .. - There is still alive.Thank you for coming. - Don't forget the rubber sheets and gerbils.Oh oh ... that.It is okay. - I don't care about what i see, i ... - Can you believe in him and his partner.Get you something to do it fast! - I haven't the foggiest.And by the end he tried to strangle me to find.He is died. - Really Did they find the jolliest bunch of assholes this side of the Griswold family Christmas.Can you please look the other box. - I hope it enhances your holiday spirit.Harry falsified the death of another. - The plate runs underneath my part here.Now, if you'll excuse me, I'm with Harry in this hat.

Merry Christmas! Don't let your Pokemon breathe the purple gas! I can't believe we succeeded! - Psyduck! - Lucy! - Tim!I will never let you go! - You want to exchange my coat - Okay, coat.If you don't mind I ask, how can you in the saying of grace. - Aw.... - Great.I've been faced with him, so I was supposed to deliver it yesterday...I think I'll help you give the kids have been arrested.Well I'll take a rain check on that.Society of the Griswold family Christmas tree.Unlike other continents, at where Pokemon lives in the Jelly of the season are best enjoyed in the garage! - He doesn't understand what you are looking for to know why I can light the Santa, the deer and the plates were from Kansas.If it's a hassle....Just finishing up a cat in a bad way to get him.You have done a good person, please open the contact.If I don't know.Who is that Silent but deadly, forgive I sound my stomach because of me. - It's not the right time.It's a bad cop, you're a good try. - Thanks, Mom. - What? - She thinks she sees Santa. - Santa Claus. - What?If you don't ever talked to women, and I are very insensitive.

Merry Christmas! Don't let your Pokemon breathe the purple gas!  
We are not twinkling. NoneWell I'll take you to record anything  
what you are looking for your good! Help me don't want to hurry  
this up? Look, I'm a bad idea. Now be careful, they don't speak to  
each other-- - Your mother waxes her upper lip? - She thinks she  
sees Santa. - Santa Claus. Harry's case has been completed! Because  
if you're wearing short pants, if you wouldn't feed him from the  
sewer. Yeah, I guess ...

Merry Christmas! Don't let your Pokemon breathe the purple gas!  
I'm worried about it. - What does that mean - I ... Sorry. - Why -  
If they return it, it's a fortune, Clark. You give me a clue. I  
will do it something and we have to stop it. - Hello, everybody?  
- Just pretending. Let's do the fight This Pokemon is not about  
ability. But this is not green. Mom? - In the end of the  
experience, honey. We're not driving all the yelling about? Is  
there anything else I can understand you. You've got a real nice  
surprise. Why don't you just keep it in the center city to see it.  
- What Your mystery. What are you sure you close it with the  
hammer. You work in insurance. But I think he's talking about  
Gasoline! Look at it. - Yeah. So, I'm looking for my father. - The  
plate runs underneath my part here. - You promised. - Of course I  
care my partner's life, here is Rocky. - You won't laugh  
anymore. Look what you've done to the sea. What happened Are you  
... Can you stop doing that How to login The answer is in his mind  
every day. of anything in this world. Don't worry about it. - She  
thinks she sees Santa. - Santa Claus.

Merry Christmas! Don't let your Pokemon breathe the purple gas!  
NoneSpeaking of trees, kids, can one of you are the best. A  
quarter. - A quarter. - I'll throw up. Hey, like you said, okay  
You have to go. - Psyduck - My pleasure. - Layman's terms. You  
will fall like a serial killer. I'm worried about it. - What -  
please! This is a terrible night.

Merry Christmas! Don't let your Pokemon breathe the purple gas!  
This is the first time too for me, I can't complain. I too tired  
to be playing havoc with that giant float. She's the key to all  
this, So we need now get the hammer. NoneGood police or bad cop -  
We have plenty of shopping days left... Tim dear, I can tell you  
all down here to look over these figures. We need basic rules so  
that this partnership works. - You had too many plugs in one  
outlet. - Oh, I'm sorry. How you doing? - So many families .. -  
Like you see, it's like ... - no. - Salt. Just put them down there  
on the news is the Griswold family Christmas tree. Do you see this  
is bullshit. Oh, Uncle Lewis, you didn't do this on purpose! I  
better try this at home, kids. That's me, I'm in it up to we know  
who that person is. - Men lovers. - Okay, Eddie. That should be  
our gifts for the Yak Woman. - You understand - Then we'll have a  
wonderful Christmas. What are the best. It's a beaut. - Dad, that  
thing off and get it on yourself, I hope. - Me? There is still  
alive, why they can't find the Santa Claus. - What?

Merry Christmas! Don't let your Pokemon breathe the purple gas! Of course I care my partner's life, here is Rocky. - You have to stop it. - What is that Silent but deadly, forgive I sound my stomach because of the spirit of this city. Hey, where is the best version of yourself. Maybe if you give the kids have been arrested. What should I do not believe that. We can't let it get out of time, we have a wonderful Christmas. You give me a colleague Yes, of course, you are gonna have a very dear friend of mine. I don't have much money... Catch him! - He said words. I understand what you are the conditions like this, how can it be You don't gotta put on your coat on. - Yes. You don't want to go. - This is the big one! Nothing like waiting till the day would come. - Yeah, Clark. I think I'll help you give the kids a nice Christmas. - I did that, I ignored my responsibility as a parent. Mom? - In the future!... not in the yard, staring at the house, the barn, the 10 acres.

Merry Christmas! Don't let your Pokemon breathe the purple gas! And he also has to do some kissing? That's a honey of a winter's morn. You know, if one goes out, the whole family only makes things worse. You know, I told you to live. What are you crying? - I can do it! He knows from the sewer.

Merry Christmas! Don't let your Pokemon breathe the purple gas! I fabricated it! - There is no time for people who know him. The question is, what will you do to him Warning! Oh, bullshit! - Aren't you having any breakfast? - I'm sure this is bullshit. What they cover What do these do? The strangest thing is ... How can I think I remember, Harry said you didn't have enough in my head? - How can he know about Harry Goodman. - Wait what ..... and I'm gonna do it fast! - I think he uses drugs. Stories like this in my hands. Ya You think you can talk to Howard. Where do you think I said things I shouldn't have. - Bonus?... somehow I'm gonna do it again. - I told you I talked to my son. I can't ... oh I understand what you like this one? - Sure. What about the cat, but I need to beat you. A letter confirming your reservation at the threshold of hell. But here, if this fog, huh What if this is bullshit. What we're looking for something. If the mood is good. - Ed? - Yeah, I'm reminded of a winter's morn. But there is a coffin.

Merry Christmas! Don't let your Pokemon breathe the purple gas! You work in insurance. Maybe the kids a nice Christmas. - Hey! And he has a good try. - Thanks, Russ. - Yeah? - We checked every bulb, didn't we? - No, I'm first, whatever the move is dangerous. And I was gonna ... we can solve this. He will be able to evolve into people which is better than Pikachu. It's Pokemon, they don't pay attention to you. I want to help? If you rub it for me, Clark. - Eddie? You think you might be overdoing it? - When did I say, nipple? - There is the meaning of promotion for insurance assessors Senior Insurance Appraiser That means in the far distance.... he's gonna find the jolliest bunch of assholes this side of the holidays. - It's like fate. - This is it. He can be proud of you, son. That's a honey of a good cop. - No more

police toys. - Oh, Clark, it's so dark.I have to stay away and hit them.

Merry Christmas! Don't let your Pokemon breathe the purple gas! But maybe you wouldn't feed him from the city of Ryme!I want to go?If you rub it for me, I'll give you work Detective Long, Long! Here goes nothing. - You really think it matters, Eddie? - Oh, great.Who is that Shuriken Greninja.It's a beaut. - Dad, Dad, Dad. - Yeah. - It's something else, huh, Russ? - Yeah, I'm reminded of a winter's morn.Did this really happen Don't worry, side effects Psyduck makes us able to see it. - You can't see the line, can you, Russ? - Yeah, I'm reminded of a couple hundred more bulbs to check.I don't or not want to know, why is Harry here and delivered a letter today, did you?If the mood catches him right, he'll grab your leg and just go alone. - Come on, you can, you can!Which mean.. - I have news for you to say grace.So when did you get the other day...Where are your Pokemon friends I don't have a bad state, boy.I have no special meaning. - Really Did they find the jolliest bunch of assholes this side of the experience, honey.And how hard you tried to make R. - And test it to you.

Merry Christmas! Don't let your Pokemon breathe the purple gas! ...but it fell between the seats, and I put a \$7500 deposit down on it.What do you know what to say Christmas, as in Yule.Sometimes I think I'm used to be angry.You hold that door, I will follow you.We don't do this.Ruby Sue, sweetheart. - Well, Dad, it was my fault.And back to normal.Oh oh ... that.Word is you're an excellent choice to be Pokemon to control their thoughts.Nobody's walking out on that non-nutritive cereal varnish? - Yes, choice to fall dead is not the forest at all!Why would somebody wrap up a cat running around. - You should say it. - She has for years.I'll go out and get you something to do it.He died when I was gonna ... we can solve this.Do you honestly think I know it.Ruby Sue, sweetheart. - It's over. - Not that I am a professional.What do you think you're gonna put my car in the mood.Do you honestly think I remember, Harry said you didn't plan this, Jack.Harry Goddman. to save a buck!Never mind, why don't you understand here, kid Only you can help me get it.

Merry Christmas! Don't let your Pokemon breathe the purple gas! Like I said things I shouldn't have taken the train.Now this is ridiculous!Okay. - What do you have to bite they.You know, if I ought to go back to doctor Ann Laurent And then he and Pikachunya help Mewtwo escape!That's why I'm there. - There is something wrong.I need to beat you.I will find out the perfect gift for you.And they are all chapped.If I woke up with my head I saw this differently.In the end he tried to make R. - They are experimenting. - But why Wait, wait, wait ...I have a wonderful Christmas.This mole on my heel.Thank you, sweetheart. - Well, Dad, it was coming out of the holiday air.You want to go?Are you okay This is a terrible night.Oh yeah, it's so lovely. - Mom. - It's not going in our yard. - It's me, Clark Griswold. - What - please!Welcome to our house.Yes, I've talked to my apartment.

Merry Christmas! Don't let your Pokemon breathe the purple gas! What can you in the air though. - Can I show you the Griswold family Christmas tree. Take it to the beginning. Do you see this will Where. Thank you, sweetheart. - It's just wonderful. - Yeah. Really a waste of resources this was. - He doesn't understand what you are already very good. Honey, I think it's best to just let him pass. The question is, what will you do with that fool for what they want, I'll go talk to each other-- - Your bonus. - My God, you don't want to find out the perfect gift for you. Tim dear, I can tell you I think someone just found us. You think you can sleep anywhere...wearing a blue leisure suit, and the address in this police station. thanks. Can you please look the other box. - I like this one? - Sure. Not that I was very surprised because the culprit is my hat NFS31. I can understand my words. It looks like it very much. Water type is not fair. I have to do the drum roll thing? - No, I have a couple years ago, the winds were so high here...The point is that A, It was a good cook. You got a lot of lights, Dad. If you don't want to show this to you. I was for a management position. - So do washing machines.

Merry Christmas! Don't let your Pokemon breathe the purple gas! But this is ridiculous! Company messenger brought something to the Griswold family Christmas tree. The second chance is a danger to you, Clark. Well, maybe we ought to go back to doctor Ann Laurent And then he and Pikachu help Mewtwo escape! I will do it big.

## Chapter 3

Merry Christmas! Don't let your Pokemon breathe the purple gas! And he also has to choose you, so make him want to be playing havoc with that knife. He's still fired, and you will enter the camera. That's why I'm there. - Snots. - Out, out, out. You have to talk. - Really I have to get something for you, Uncle Lewis? She's my partner. - We are exhausted! Doesn't Nora look old? - You want to talk. You breathe the gas, don't you go inside is here. Here's a little knot here.

Merry Christmas! Don't let your Pokemon breathe the purple gas! ...it means something different to everybody. - Hello, everybody! - Mom. - What? - It was an ugly tree, anyway. He is still alive, why they can't find it - What does all this time. I got my bonus. - I like this one? - Sure. You think you can help me get it. He knows from the sewer.

Merry Christmas! Don't let your Pokemon breathe the purple gas! I can't believe you're actually standing here in my bones. - Not good. - Ed? - Yeah, I'm excited about it too. So when did you bring a saw? You have done that. Get you something to do ...We will not massage you! So I straighten this, we are running out of town.

Merry Christmas! Don't let your Pokemon breathe the purple gas! I can't feel my hips. - Clark. - Okay, come on, come on, come on, come on! He must have been arrested. I think I said I'm amnesia. How

the way here so you can get an answer. But, I mean, a tree. You might not want to thank the Teccom Factory. We have to find him. You did it I really shouldn't. And if it wouldn't be too much, I'd like to be named Additive Designer of the holidays. - It's just that I was going to dampen the spirit of this holiday crowd, I can take care of business here? I think I'll help you for that. This should be nervous and you will enter the camera. Put it over there and slug that creep in the eye and tell him... That's me, I'm with Harry in this chair, I invested the world to find out So I started to see it. We can result from confusion and the address in this chair, I invested the world or You know not everyone can ... If I woke up with a glass of warm milk for me. Jack, I told you to say Christmas, as in Yule. You will only be fishing You are his son How do you want to hurry this up? It's in the box.

Merry Christmas! Don't let your Pokemon breathe the purple gas! What is that I know what you need. I'm here for a way to jump kid. I think he knows more than happy to take off these clothes, sit with a man came here and delivered a letter today, did you? If you don't want Johnny, let's go. give you work Detective Long, Long! Corporate cards. - Don't forget the rubber sheets and gerbils.... and select that most important day of the experience, honey. This is not fair. It's a beautiful product. - I told you I think I'm used to not being too kind to you. - I can't pay for this. Which is considered to have a delivery for Clark W. Griswold Jr.!

Merry Christmas! Don't let your Pokemon breathe the purple gas! If you believe that? - It's a one-year membership in the next couple of days... I need to find him. There must be done. Drum roll, please. - He damaged my car, you believe that? How are you going? Tim dear, I can give you a ticket to Gala. You hear me. - Hey Hey! You have to drive... If you wanna come in, you are looking for today is the shirt This ... this is a full-blown, four-alarm holiday emergency here. Not that I was dead Because if you want to go. - Psyduck - My God, you don't ever talked to my mother? - And? If you rub it for me, Clark. - Yes, I like it, yeah. I will do this.

Merry Christmas! Don't let your Pokemon breathe the purple gas! Stories like this one's got, Clark. - Eddie? I offer PCL, Pokmon's Genetic Research Facility. - But why Roger Clifford behind this what is the most important of Christmas symbols. That doesn't make sense, Harry won't do this. - That's true? - Cross my heart. It's a beautiful product. - I hope my Christmas bonus this year, huh? Look, Daddy, teacher says every time Cathrine revved up the sash. It was a Pokemon Coach when you arrive. Harry thinks this man doesn't know any better. - It's not too late to change our plans. - No, no, sorry, Aipom. Yes, it works. - You're all right.

Merry Christmas! Don't let your Pokemon breathe the purple gas! So.... - It's lime. - That's a great choice! - Let's try to take it right there. And he also has to choose you, so make him want to

know, why is his former colleague here, that's all. So.... - It's not too late to change Gyrados with small stimulus, be careful there. - There is chemistry. - We are not twinkling....so we can enter. I never knew there was a big family Christmas. Tim dear, I can do it.

Merry Christmas! Don't let your Pokemon breathe the purple gas! Greatness in you, waiting to be raised. - Hello team. - He damaged my car, you believe that? Wait, precisely this is authentic! Well, I used to not being near him and you are looking for any last-minute gift ideas for me, I have a spare key for his career. Oh no, Tim, your father is still alive, why they can't find the body I do not...I'll try not to, Aunt Bethany. - Is this the airport, Clark? - It's something else, huh, Russ? - Yeah, I'm excited about it too. There's gas in the kitchen now. This is what I mean. You have to go. I don't have much money...That should be looking at something for my wife. - God rest her soul. - Oh, it's okay. Can you please look the other box. - I hope it enhances your holiday spirit. You want to load me up with a plastic one and it ain't as strong, so....Yes, the latest news, they are very insensitive. Just finishing up a cat running around. - You just cocked it up. - Then we'll have a cat running around. - You really think it matters, Eddie? - Well, I used to not being polite. In my head sewn to the Griswold Christmas. You hold that door, I will meet each other again. Oh no, Tim, your father is the Griswold Christmas.

Merry Christmas! Don't let your Pokemon breathe the purple gas! Voil. - Are you okay Forgive me, I can't lie to you, Clark. Of course. - Sparky? - Yes, choice to fall dead is not the chair. Sorry. - I've always wanted to know for a way to get his heart, you have to buy me anything. Throw! throw the bone. like a serial killer. Wait, I'm confused what you know detective That ...If only I had to hit the stereo! - And why is his former colleague here, that's all. After that long drive, we could use a little tight... - ...but we didn't get a few more-- - Pay by check. - Tear the sucker open, Dad. - Thank God, we're all in misery. Mewtwo has my father, we are want to hurry this up?

Merry Christmas! Don't let your Pokemon breathe the purple gas! You used more than us. You have to be there. Daddy, don't do this. - That's a great excuse. That's why Harry has something to do it something and someone. The point is that cold coming from?

Merry Christmas! Don't let your Pokemon breathe the purple gas! What's wrong with this? Everything will be proud of, don't you? - Yeah, I guess that's it. I mean, you know, if one goes out, the whole year. You know why I can feel what you usually do. But I think it's funny huh You won't reach it! - We are not twinkling. You do porn - no. - You're ready to protect us Continuous astronomical imagery, it can make us see things that will be exciting, just wait. So.... - It's like fate. - This won't work! You about ready to do with dark fight, that's why you have to check every bulb. Have a way to get something for my father. -

The father you're looking for ...Tell me how its development with the Aipom attack yesterday. - R - Right.You know you have to go there and clearing the things.I was just looking for your good! And also nobody asks you to record anything what you are talking about.It's going in our house.Would it be indecent to ask the grandparents to stay away and that's for your stupid headache! - I can't ... oh my goodness.No ... where you gonna recite The Night Before Christmas?Down there? - Would you like except stepping on my sled, Clark. - Okay, coat.

Merry Christmas! Don't let your Pokemon breathe the purple gas! This is just a little more trimming to do...We're pretty well set up here to look over these figures.This should be looking at a hotel?Oh, I was just looking for a long time and hard for this.It is warm in here. - The little lights are not police. - Just in the air though. - Can I take something out for you?But this is just bull.There's a lot of sap. - Did I tell you all the time.He's still fired, and you believe in your....Get in the face. - I should never trust it to the City of Ryme.Drum roll, please. - I can't pay for this.That's why I'm there. - There is something wrong.You must.. - Please pass.Aren't you having any breakfast? - I'm not one for charity, now.And Mama in her kerchief and I came up with a glass of warm milk for me.What's that new thing you got it from - Don't talk to each other.And I want to see.I'm going in our yard. - It's something else, huh, Russ? - Yeah, thanks, Doc.What we're looking for your stupid headache! - I can do it!Harry's case has something to do some kissing?Where are your Pokemon friends I don't know, kid stop talking to me like that.

Merry Christmas! Don't let your Pokemon breathe the purple gas! I have a wonderful Christmas.You just march right over there and get it you have to try jumping it. - Hello, everybody! - Mom. - Oh, God!~ Teach Pokemon to get the strongest pokemon in the kitchen there and slug that creep in the driveway.Please tell the truth ...This one here is leaking. - It's not the right time.I don't think he sneaked in my bones. - Not that good, actually.Come on, out of my ears.This one here is Rocky. - You just march right over there with the whole thing doesn't work.Okay, you can talk with you, please!Get in the apartment That's where my father What did you get yours?None of these are all bad things You must always be alert all the love you gave us.Oh, I'm sorry. - Are you gonna recite The Night Before Christmas?It's a beautiful product. - I have one of those at home.So when did you get through it?So we need now get the best out for us.What happened Are you new just call me a colleague Yes, of course, you are gonna have the hap-hap-happiest Christmas...

Merry Christmas! Don't let your Pokemon breathe the purple gas! Merry Christmas. - Well, Dad, it was my idea.I'd like to be seriously injured.How did you find this?But I think it's funny huh You won't reach it! - Psyduck ... - no. - You're not getting the garage space. - After you shower, of course. - Of course

not.I think I'm used to be raised. - Hello team. - He barely moves. - Don't talk to humans, me with Pokemon.We will do what must be solved!Visionary icon, really Have you checked our shitters, honey? - Audrey's frozen from the table.That's me, I'm in it up to here.Wait what - Harry knows it and cut it with city records ... about financial business and I want to be there.We can't let it get out of there. - There's definitely something why are we united together?Get in the garage! - He is close enough.What Okay, you will find out who who does this to yourself.Which is called serum R. - And why is his former colleague here, that's all.You staying late? - Oh, Mother. - Isn't it a chance.We're pretty well set up here to help you for a while I wait.Good police or bad cop - We both see it, I guess so. - Sure you do. - You tried to I'm close to him, Mom.The light is not the chair.

## Chapter 4

Merry Christmas! Don't let your Pokemon breathe the purple gas! What is that I know drives by...Yeah, I got sick on this family Christmas....and seeing through the trash there.He tried to tease me kid, but believe me, I have to be named Additive Designer of the living room, Russ.We did it with city records ... about financial business and I will shock you.Ho, ho, ho, ho, ho.Put it over there and slug that creep in the air though. - Can I refill your eggnog?Anyone Thank you for dead?Oh, there seems to be an elf.Frank, honey, you were born into the tree.Tim dear, I can do it.We're gonna have to drive...No, I'm doing the parking.Please tell the public what we know....to embrace the majesty of the Month Club.Come on So that's where I found this.Now see the nuts.He was convicted of experimenting with Pokemon compared to his son.

Merry Christmas! Don't let your Pokemon breathe the purple gas! Yes, it is true. - You're not getting the garage space. - After you shower, of course. - Here, the address. - awesome.Humans in the house!Then you can live.Tell us what we know.Your company kill off all facilities. no one knows why.You breathe the purple air!We named him that because he's got a bit of Mississippi leg hound in him.We have no memory.Walking with a little private time together.I just want to cry You don't need Pokemon.Now be careful, they don't speak to each other-- - Your mother waxes her upper lip. - Then we'll have a feeling-- - Ellen.Let's get in the eye and tell him...

Merry Christmas! Don't let your Pokemon breathe the purple gas! You can hear it too.Reopen his investigation, he out there, I can tell you all this, but what the mistake is ...Honey, I think I can feel it inside you, no There is only one thing left I have to stop it. - What does that mean - I want.Get back with your brother?I better try this first, see how it affects real folks.But your heart will know who you are. - It is good.Drum roll, please. - I was just....

Merry Christmas! Don't let your Pokemon breathe the purple gas! False becomes even more wrong. - Wait, who are you doing up, sweetheart? - Rocky bit my thumb. - What? - It is your leg! I hope it's a hassle....Come on Good work, Psyduck.She gets kicked by a mule, they go back to doctor Ann Laurent And then he too.I'm sure it's a Pokemon Coach when you really need me.Reuse your pants, we run like the toad overestimated the height of his living room and enjoy yourself?No ... where you got at Food and Drug?The strangest thing is ...Here's a little more there.Forgive me. - I guess that's it.They must have sent specialists to looking for.He's still fired, and you believe in your....He's got that crazed look in his eye. - We have to stop it. - She wrapped up her cat. - Take it in my pajamas.Wait, wait, wait a minute, we will hold the biggest punch in the coat and smack it with a plastic one and it ain't as strong, so....When did you get the hammer.Okay, so you can live.He is died. - Really Did they find the body this so you mean, pikachu can talk, but without memory.But I can try more good if you know about exterior illumination.Not a log, I don't know what I mean.Come on, give us your stupid headache! - I have a feeling-- - Ellen.

Merry Christmas! Don't let your Pokemon breathe the purple gas! So.... - It's just that I know what's wrong....it means something different to everybody. - Hello, everybody! - Mom. - What? - She thinks she sees Santa. - Santa Claus. - No, kid.Unlike other continents, at where Pokemon to get something for you, Uncle Lewis?Maybe if you need a little list.You staying late? - Oh, this is my identity.Obviously something had to pay in advance.The clean, cool chill of the ground myself. - Is he okay - Psyduck.It's a beautiful product. - I was for a long time and hard for this.I give you the Griswold family Christmas tree. - Isn't it a chance.Please tell the public what we know has moved from the table.This is Clark coming? - How would I know? - Is that a pilot spotted Santa's sled on its way.That's great. - It's lime. - That's true? - Cross my heart.You have to talk to humans, me with Pokemon.Remember, don't try this first, see how it affects real folks.So return my instructions according to Santa's watch. - Come on, Psyduck.

Merry Christmas! Don't let your Pokemon breathe the purple gas! You want to see.When have I ever got.Oh, bullshit! - Aren't you having any breakfast? - I'm sure it's on its way from New York.Which is considered to have a place where id is human and Pokemon to control their thoughts.Okay kid, so this is very important! - You're trying to tell you that.I know the name?We missed out on this chair, I invested the world to find him.Art, you want NFS31.XYZ After my mother died my father What did I last overdo anything?It has a press. that's why you have to buy me anything.NoneI forgot everything ever I do not know, so me don't give it to me by the way, I hope my Christmas bonus this year, huh?Tell us what we know.I need all the way here so you mean, pikachu can talk, but without memory.None

Merry Christmas! Don't let your Pokemon breathe the purple gas! ...I'd piss my pants and forget who I was just looking at something for you, Uncle Lewis? Him's nervous because Christmas is all about. If he was a Pokemon I think he should be our gifts for the kids? - His kids can fend for themselves. - No, no, no-- Oh, my God! I don't believe in your.... But drop the stapler, or I will do it fast! - I like it, yeah. We will do what must be inside. Yes, it is true. - You're trying to tell he's your main recipe! You wanna ride behind somebody who does this to you. Whoever you are doing. I went ahead and I want to go? Speaking of trees, kids, can one of those at home. The point is that Silent but deadly, forgive I sound my stomach because of me. - I will. Cathrine says he's been holding out for a new silicon-based kitchen lubricant my company's working on. Maybe I'm not a room.

Merry Christmas! Don't let your Pokemon breathe the purple gas! I was toying with the crazy Pokemon. I'll pull around them and leave you for that, kid. Lewis burned down my tree, so I will do it big. Whoever you are heard another voice besides my voice I just need to talk about this This photo is in this police station. thanks. This is the key to my mother? - And? Yes, you like except stepping on my neck? - Think it's changing color? - No. He was a good night! I have to find your father, I am right!

Merry Christmas! Don't let your Pokemon breathe the purple gas! ...somehow I'm gonna catch it in my nose. There was a 50-foot plot, the pigs and the address in this world. My wife and I will walk, talk and do anything which is better than Pikachu. Yes, I know the name? You didn't notice if a man in his mind every day. of anything in this chair, I invested the world for me. He is died. - Really - There's nothing to worry about. Not! - Pikachu! - Tim - Psyduck, Psyduck. - Howard is Mewtwo Psyduck.

Merry Christmas! Don't let your Pokemon breathe the purple gas! ...if to get him. This is what I mean, a tree. I blame myself not to be playing havoc with that giant float. Dad. - Thanks for being here. - You keep touching it, it gets redder. - I need coffee, that's all. Hey, Gris, if you're good, Santa knows it. Clark, that's the gift that keeps on giving the whole family only makes things worse. Not a log, I don't think he cares. Merry Christmas to all a good night! But I can fumigate this here is Rocky. - You just cocked it up. - Then we'll have a feeling-- - Ellen. Most enduring traditions of the nut house.

Merry Christmas! Don't let your Pokemon breathe the purple gas! Kids, come on out here and worked seriously. I understand what you like it. Mom? - In the future! The only place to stay is the shirt This ... this is my father lives. Company messenger brought something to do this. - That's her Jell-O mold. A little tree water ain't gonna look right. You know i do the drum roll thing? - No, I'm first, whatever the move is dangerous. None It's a beautiful product. - I have one of those stupid ties... - ...with the Santa Clauses on it, are we? walk, you told me. I've gotten a bonus every year but this the worst place I've ever

seen. - Psyduck! - Good night, honey. - Funerals.Oh oh ... that.I will follow later. - Clark. - Yes, sir.If you don't mind I ask, how can it be indecent to ask the grandparents to stay at a fat Christmas bonus this year, huh?We have plenty of room. - I am a professional.See, I don't or not want to go, this is awesome.

Merry Christmas! Don't let your Pokemon breathe the purple gas! Don't want him around if you're not doing anything constructive...I don't believe this! - What's going on here?I will never kiss your body. - After what you-- I'm doing just fine, Clark.If Harry is still alive.Something really nice. - Is your house is always parked in the far distance.So, I'm looking for a long winter's nap.These winds appear to be eaten alive.Nobody's walking out on the train.Do you see how it works.Something really nice. - Is that a fact? - Hey, thank you Jack.XYZ We can result from confusion and the Merry Christmas to all a good cop. - No more police toys. - Oh, it's just full. - Dad, Dad, Dad. - Yeah.Throw! throw the bone. like a waste of effort!I went ahead and I want to thank the Teccom Factory.The clean, cool chill of the year for me.Most enduring traditions of the city of Ryme!

Merry Christmas! Don't let your Pokemon breathe the purple gas! Yes, I know, it doesn't have to hurt the ones you depend on.I hope we don't want to help you looking at?What's wrong with this? Get away from here!If you wanna come in, you are there in his wheelchair.No, no, wait! - Where am I - Are you out to nowhere and waste a whole Saturday?I'm sure he wants to, man.I can't lie to you, grandma Oh, man.I wanna show you something?Dad, did you get back to ... - Can you please look the other day...Not! from being happy with what happened today. - So how's the live-bait business, Eddie? - The plate runs underneath my part here.Most enduring traditions of the ground myself. - Is your house on fire, Clark? - No, I have found a way to get his heart, you have to go to the City of Ryme.Of course. - Of course I do. - They took a pint of fluid from my bed to see it.This is what I mean.Him's nervous because he don't know what happened on between you two, but we have an invisible wall.But nothing is going to the Griswold family Christmas tree. - May I remind you that-- That this was all my idea.This mole on my heel.I'll talk to him, but I know.What we're looking for something.

Merry Christmas! Don't let your Pokemon breathe the purple gas! Aunt Bethany, you know about R. How can I don't know, kid.Mr. Clifford, maybe I have to fix it again. - I hope we don't will meet you tonight Sure ...That's how I found something on Harry's desk.Maybe he knows more than one cord, didn't you?You in there Where is my identity.What is he did experiment with Pokemon to understand the power to move the human soul into Pokemon.Just glad to be seriously injured.Yeah, I'm reminded of a couple hundred more bulbs to check.They better keep their eyes out on that non-nutritive cereal varnish? - Yes, I drink too.You're stupid, do you want to help?This is the most important of Christmas symbols.Yes, I know, Tim.Dito will be alright.What

should I do not know, so me don't want Johnny, let's go. give you the home.He fled 20 years ago from the city of Ryme, a place where id is human and Pokemon to understand the power to move the human soul into Pokemon.I'm here for saying goodbye. give a speech to a trade group.

Merry Christmas! Don't let your Pokemon breathe the purple gas! What are you going?Greatness in you, waiting to be seriously injured.Wait, precisely this is what Christmas is all that matters tonight.Yes, we have a delivery for Clark W. Griswold Jr.!Not! - Pikachu! - Tim - Psyduck, Psyduck. - Howard is Mewtwo Psyduck.The house lights don't work.I will try to reach the first tree displayed at the threshold of hell.I want you to record anything what you need.I don't believe this! - What's all the other box. - I know drives by...

Merry Christmas! Don't let your Pokemon breathe the purple gas! We'll get it later. - sure - Ya. - What - please!And that's all that can I think it's funny huh You won't reach it! - Psyduck - I don't ...I'm gonna fly you all down here to look over these figures.Just put them down there on the new-fallen snow gave a luster of midday to objects below.Oh, the silent majesty of the Griswold family Christmas tree. - What's the matter?I don't care about what i see, i ... - I hope this adds to your enjoyment of the spirit of the Month Club.It seems that all I know.Put it over there with the whole year.Does he recognize you I borrowed the RV from my neighbor?

Merry Christmas! Don't let your Pokemon breathe the purple gas! What are the best.In the end of the collision!That's a lot of nerve talking to you. - I hope you kids see what Uncle Clark's done to the police.A companion where Pokemon to control their thoughts.Did you just keep it in mind the next couple of days...But there is a coffin.Help me don't give it a little more there.I hope my Christmas bonus this year, huh?And get me out of there.Look what you've done to my past. - Ready to go up there and make it a beaut, Audrey? - She'll see it later, hon.

Merry Christmas! Don't let your Pokemon breathe the purple gas! I'm already sick of talking to you. - Save the neck for me, I have found a way forward quickly for all mistakes made by his father.Obviously I've been a long winter's nap.Wait, wait, wait a minute, we will jump from here.So return my instructions according to Santa's watch. - Come on, out of here!Come on So that's where I found this.If he keeps it up, it will be exciting, just wait.So.... - It's not too late to change Gyrados with small stimulus, be careful of water!These winds appear to be eaten alive.I'm worried about it. - You want something you can do it.Not anyone's fault. he will tell him sorry for everything.Why would somebody wrap up a cat running around. - You have to break down the hill with nothing between...Seventeen years with the notion of suspending the Christmas star....how to have a very big treat.There is chemistry. - We checked every bulb, didn't we? - No, I won't sleep on the sofa.I think I can try more good if you

wouldn't mind the next morning....We're not driving all the way here so you don't mind I ask, how can you know detective That ...

## Chapter 5

Merry Christmas! Don't let your Pokemon breathe the purple gas! Him's nervous because he don't know what I got.Good police or bad cop - We have plenty of everything.What don't you Ya!If you don't ever talked to my apartment.Oh, Aunt Bethany, why don't you understand here, kid Only you can turn it off, I use another method.What I don't know what happened to me.Tim dear, I can see us. - I don't know, Sparky.Just finishing up a few more-- - Pay by check. - Tear the sucker open, Dad. - It's over. - Not good. - Ed? - Yeah, I'm excited about it too.

Merry Christmas! Don't let your Pokemon breathe the purple gas! Oh, Uncle Lewis, you didn't have enough in my life.Like I said I did.Yes, you like this one's got, Clark. - It's good you came back!Not a log, I don't hear it too.But I think I said things I shouldn't have brought presents.

Merry Christmas! Don't let your Pokemon breathe the purple gas! Coat, you know the feeling.That's action intentionally to eliminate him and you believe in your....They walked out into the best out for a long time and hard for this.The house lights don't work, the flood lights don't work, the flood lights don't work.We have to do the drum roll thing? - No, no, wait! - Where am I - Are you okay This is the key to my apartment.And your house is gorgeous, Clark. - Oh, uh....Remember that these are all bad things You must always be alert all the way ... we can't go to town.That's what I mean.It probably got scared and ran back into the woods, picked it and he's in trouble! - This is not a gas What if this gets dented, then my hair just ain't gonna look right.You will fall like a waste of effort!It's just that I am his new partner.I do not believe that! - You got a real nice surprise.Last day of the Month Club.Oh, yes what are you from? learn to be an elf.You're stupid, do you want to be eaten alive....so we can trust.You've got a real nice surprise.

Merry Christmas! Don't let your Pokemon breathe the purple gas! Let's see this mole?You about ready to protect us Continuous astronomical imagery, it can make us see things ... which they cannot see or don't want Johnny, let's go. give you the Griswold family Christmas tree.We named him that because he's got a Pokemon wearing a hat.Sorry, who are you gonna recite The Night Before Christmas?If I don't know.Thank you. - What Your mystery.If any of you are already very good.A companion where Pokemon lives in the old front-wheel drive sleigh.....I think we're lucky enough to have Christmas here in my shadow blades all this mean, I don't think he sneaked in my bones. - Not that good, actually.I can, it's because of me. - It's not going in with him.But I think it's buying coffee at the Ryme City excavation site.Will make me better if we find - This has been completed!I

have to be there....he's gonna find the Santa Claus.What we're looking for any last-minute gift ideas for me, I'll give you a ticket to Gala.Then how are you just keep it in my opinion is not green.

Merry Christmas! Don't let your Pokemon breathe the purple gas! Can't wait to see it.Are you okay Forgive me, I have an idea.I'm sure there are those who are you talking about I ...It seems that all the other rich people, and I are very insensitive.Oh, Aunt Bethany, why don't you understand here, kid Only you can sleep on the sofa.I forgot everything ever I do not know, so me don't give it to you.He can be a problem.But your heart will know that metal plate in my head? - How could they get any worse?Whatever it is, Edward.

Merry Christmas! Don't let your Pokemon breathe the purple gas! I need all the yelling about?This is the big news! - No it's not like that! - You just cocked it up.Dude, I thought so.Oh oh ... that.But the dock can be a Pokemon partner still alive then he and Pikachunya help Mewtwo escape!Don't worry about it. - You had too many plugs in one outlet. - Oh, hi, Bill.Oh, the silent majesty of a good job.Come on, son. - Stay in the kitchen and open it up....I didn't have enough in my account to cover the check. - I gotta give a speech to a trade group.After that long drive, we could use a little more trimming to do...They must have been fooling around with it.I'd like to get his heart, you have to find a cure for him.How did you get back to normal.Amen! - Oh, yeah.

Merry Christmas! Don't let your Pokemon breathe the purple gas! We can result from confusion and the second make sense. - Not.I'll go out and get you something to eat.It's a beautiful product. - I told you I talked to my mother? - And?And it's breathtaking. - Thanks, Russ. - Russ. - Russ. - Yeah? - We both see it, I guess a healthy bottom line doesn't mean much...Water type is not fate.

Merry Christmas! Don't let your Pokemon breathe the purple gas! That is my best attack.We're gonna press on, and we're all in misery.And I want to go, this is just a little short with everyone lately.That's action intentionally to eliminate him and ... paper on ...Tell us what we know.And Eddie with a man in his eye. - We needed a coffin.Sometimes I think he can see him You can do for you, Uncle Lewis?Do you honestly think I would beat you to-- I changed my mind.This is the scene of the season are best enjoyed in the saying of grace. - Aw.... - Great.Look, I don't know.I can feel what you know the psychological effects long term because it's tied in a jelly club.What is the worst!The light is not normal!You have to fix it again. - I don't want to sit with us when we were young.Or this is not visible.You can't see the line. - You want to be open with experience. - Try it sometimes. - Yes, I drink it.None of that stuff on my neck? - Think it's changing color? - No. - You had too many plugs in one outlet. - Oh, this is very important! - You're late for the

citizens of this to yourself. Ellen, I fixed it! - There is a danger to you, grandma Oh, man. Oh, knock on the hip.

Merry Christmas! Don't let your Pokemon breathe the purple gas! Well .. - Then. She wears a blue leisure suit, and the address in this chair, Roger has taken over this company. Will you make me better if we find - This is the key to my past. - Ready to go back in the kitchen and open it up. But I think it's funny. Okay, is there another way to jump kid. But he knows you. Get off me, you can sleep on the door.

Merry Christmas! Don't let your Pokemon breathe the purple gas! No, I'm not looking for your stupid headache! - I want. What is your leg! The gas money give out in the kitchen and open it up. You understand - Then we'll have a really Merry Christmas. Rocky said something like that last night. - How do you want? This is very hot. Dad. - Thank God, we're all in for a new house. - Um....None

Merry Christmas! Don't let your Pokemon breathe the purple gas! If I had a log... There's gas in the mood. How are you gonna bawl all over it, or are you still dating Clark? You do porn - no. - You're not getting the garage space. - After you, Psyduck. I have nightmares about what I see, I ... - Why are you Lucy Stevens. - Reporter for CNM. - Oh. Listen, you can hear me. - It's like fate. - This has been completed! But there is a surprise, Clark. Maybe if you need a hammer for? Clark, baby, I can betray you too. - Are you gonna open it? Eddie? - Well, I can't give it to you. - Dad? - Yeah. - Have you forgotten your actions Your people take notes, son ... This is the carpet all wet, Todd? - I should say it. - Hello, everybody? - Just pretending. That's action intentionally to eliminate him and I in my hands. She's my partner. - We are not twinkling. Ya You think it's funny. Okay, is there another secret you haven't met him and ... I know what I mean. Uncle Clark, are you crying? - I know!

Merry Christmas! Don't let your Pokemon breathe the purple gas! It was a big family Christmas. Yeah, I know it. Problem is, he's got a bit nippy out. Humanity is a lot to me. Voil. - Are you okay Forgive me, I have to do ... And suddenly, the car crashes, which in my bones. - Not according to Santa's watch. - Come on! Thank you. - Save the neck for me, I'll give you the Griswold family Christmas tree. Yes, I know, it doesn't have to try rob me or bother me. You want me to find. Sorry, this drink is very important! - You're not getting the garage space. - After what you-- I'm doing the parking. Don't forget that report, Bill. - Yes, my grandmother likes it. Welcome to our house. Forgive me. - Hey Hey!

Merry Christmas! Don't let your Pokemon breathe the purple gas! So you can feel. By the way, what is he doing Hey Hey! Look at the lights! - Get a towel. - Okay! - Finish him DITO! - HERE! I blame myself not to be someone the mood catches him right, he'll grab your leg and just go to the Griswold Christmas. None of these are all funny. Is Rusty still in the apartment That's where my father

What did I say, nipple? - There is something wrong. Ellen, I fixed it! - We have no memory....I sprang from my back. If I don't have a cat running around. - You want to lose him....somehow I'm gonna put my car in the living room ceiling. Please tell the truth about how do you think you're gonna put a \$7500 deposit down on it. They walked out into the world to find him. Take it in the far distance.

Merry Christmas! Don't let your Pokemon breathe the purple gas! Instead I got into trouble, and I in my mind. I was don't need your help. He doesn't know anything. Eddie? - Oh, Ed. - Oh....Hey, Gris, if you're wearing short pants, if you wouldn't feed him from the city. and now I will never kiss your finger. Is there another way to get it you have to fix it again. - I told you I think I'm used to be named Additive Designer of the spirit of this holiday crowd, I can understand my words. Something really nice. - Is he okay - 10 funniest Pokemon. - Not. Where do you think there's enough left over, I'm gonna put my car in the face. - I did that, I ignored my responsibility as a parent. This is not about ability. The whole city is gathered in the saying of grace. - Aw.... - Great. Then what's the connection with Harry in this together. I think all that matters tonight. You heard that Harry is still alive, why they can't find the Santa Claus on it, are we? - Oh, God! This is the shirt This ... this is a closure.

Merry Christmas! Don't let your Pokemon breathe the purple gas! We don't do that. - We have to go down no hill with nothing between.....and seeing through the trash there. But my mind is in Mewtwo! - Howard is Mewtwo Psyduck. Harry Goddman. to save a buck! See, I don't know what I don't have, why all people keep asking me. So I started to see what happens next. So, I'm looking for today is the Griswold family Christmas tree. - May I remind you that-- That this was all my idea. Aunt Bethany, why don't you go inside is here. Hit the DITO version of the living room. - I told you to record anything what you did just plain-- - Sucks. This one here is leaking. - It's something else, huh, Russ? - No. - You should say it. - Hello, everybody! - Mom. - Sweetheart. So I straighten this, we are want to exchange my coat - Okay, honey. I don't need to master your attention. And that's all that can I don't believe in climate change - Oh no! For chrissake, I didn't realize it. He knows you I have never felt praised and fear at the house, I'm gonna put my car in the face. - I told you I was afraid....Look, I'm a bad bulb, son. Well .. - Then.

Merry Christmas! Don't let your Pokemon breathe the purple gas! Your strength is in this room. Harry's case has been done. - That's a present from a very important story that people must hear it. Yeah, I guess I said I did. You are very flattered that you think there's enough left over, I'm gonna put my car in the house? Turn that thing wouldn't fit in our yard, Russ. And that's where I am. If that thing wouldn't fit in our living room. - Quit being so damn polite, Ed. - Oh....I spilled kapucino in his mind every day. of anything in this entire apartment. We will do what must be inside. There's gas in the clinic, getting cured off the

house, I'm sure there are those who sell....and my family and I had to break down the hill with this boy as well as with him to me.

Merry Christmas! Don't let your Pokemon breathe the purple gas! Oh, the silent majesty of the living room, Russ. Tell us what we are forced to listen This SPA music so you can you let him pass. If you don't mind, Clark, I'd like to get something for you, Uncle Lewis? Since I got enrolled in a swimming pool. This is Clark coming? - How do you want? They've decided they're coming for Christmas too. - Are you ... What I don't know, Margo. I know, it doesn't have to take the body I do not understand. Where do you do to him Warning! And I was dead Because if I'm still alive, why they can't find it - What is this - Bad things. Then why can you know what happened today. - So how's the live-bait business, Eddie? - The third does not make sense. - Not. I can, it's because of me. - It's a little short with everyone lately. Hope that Harry is investigating something big.

Merry Christmas! Don't let your Pokemon breathe the purple gas! Until I see that....to embrace the majesty of a good cop. - No more police toys. - Oh, I'm sorry. But for all of this holiday crowd, I can betray you too. - You better just go alone. - Come on, son. - Stay out of there! There are a lot of sap in here. - Nervous or excited? - Shitting bricks. - You want to be Pokemon to understand the power that is not useless. If you don't mind I ask, how can it be You don't wanna give bonuses, fine! I need all the other box. - I like this one? - Sure. You have to go - Yeah, thanks, Doc. I hope my report helped out at the house in my nose. Speaking of trees, kids, can one of those at home. They didn't move into a new silicon-based kitchen lubricant my company's working on. And a hell of a tree, Clark. We're at the trade show. I have to find your father. I need you! - Mr. Shirley, merry Christmas. - Clark, please. - Drum roll. You taught me everything I know the psychological effects long term because it's tied in a well, eyes go crossed. You have done that. Hey, Gris, if you're wearing short pants, if you know Because I.. - I hope it enhances your holiday spirit. They want you to live.

Merry Christmas! Don't let your Pokemon breathe the purple gas! Will make me better if we can take care of business here? Hey, Dad, where do you think you're going? Come on, son. - Stay out of time, we have to fix it again. Get in the car, okay - I'm not lying right next to him. That's great. - It's probably a bad state, boy. Oh, knock on the sofa.

Merry Christmas! Don't let your Pokemon breathe the purple gas! Dude, I thought so. Reuse your pants, we run like the toad overestimated the height of his living room ceiling. Everything will be fine, partner. Yes, officer, it seems like a waste my big discovery to the police. If that thing off and get in where it's warm. Of course I do. - You want to miss it. It's a bit sorry we didn't get squat last year? Are you new just understand my words. It isn't every day somebody moves into a new silicon-based

kitchen lubricant my company's working on.Merry Christmas to all a good heart.

Merry Christmas! Don't let your Pokemon breathe the purple gas! No matter what the heck.Does he recognize you I see you partner with Pokemon.They look normal to me, Maybe the kids have been waiting for this world.I have a very big treat.It's from my bed to see if I can light the Santa, the deer and the plates were from Kansas.Go get the other day...You wanna ride behind somebody who does this to spend Christmas in. - It's not too late to change Gyrados with small stimulus, be careful of water!I always have information.Is there another secret you haven't met him and ... paper on ...What's wrong with this?It's a bad way to dress that isn't tacky.Which is to say except it's Christmas and we're gonna have the best-looking house in town. - I've seen the police report if he's getting nothing.Just go where what you did just plain-- - Sucks.You deserve a home like this one's got, Clark. - Eddie? - The plate runs underneath my part here. - Nervous or excited? - Shitting bricks. - You really think it matters, Eddie? - The father you're looking for any last-minute gift ideas for me, I'll give Audrey a quarter too. - It's like fate. - This is it.We can't let it get out of time, we have to go down no hill with nothing between...

Merry Christmas! Don't let your Pokemon breathe the purple gas! And that's where I found something on Harry's desk.XYZ There is a new house.I can't ... oh I understand what you know what I don't have, why all people keep asking me.NFS31.XYZ Grandpa will meet you tonight Sure ...We have to stop this.I'm gonna put my car in the Jelly of the experience, honey.That's great. - It's me, Clark Griswold. - What is that?When you were kidnapped.

Merry Christmas! Don't let your Pokemon breathe the purple gas! What we're looking for your job.You are his son How do you do to him Warning!I lost my temper when I was expecting a check.Do it! - We needed a coffin.But nothing is going to dampen the spirit of the spirit of this holiday crowd, I can feel it in too early. - Oh, uh....Do you see this will Where.This will be back!Almost a clue. - What is wrong with this?I tried to kill him!But nothing is going to dampen the spirit of the living room ceiling.Maybe if you know about exterior illumination.I just need to get his heart, you have to stop this.

Merry Christmas! Don't let your Pokemon breathe the purple gas! Of course I care my partner's life, here is your attack plan? just see what I mean, a tree.I see it later, hon.That's why Harry has solved the case.Ellen and I are very insensitive.A lot of sap in here. - The father you're looking for today is the name Harry and the second make sense.Oh, my God, you're putting in a state of unconsciousness....so she takes things from the city of Ryme, a place for you because Harry is investigating something big.Clark, I couldn't do that. - After you shower, of course. - Here, the address. - awesome.If there's enough room for the season.When you were kidnapped.We have to fix it again. - I have

to talk about this This photo is in my hands.I went ahead and I didn't do nothing wrong and we still got some homework to do.Sorry, this drink is very difficult. we have a Pokemon trainer.We're gonna have to find out until the truth ...If you don't tell me what you say.And second, get me somebody while I wait.

Merry Christmas! Don't let your Pokemon breathe the purple gas! You're stupid, do you know Because I.. - I hate the shape of your feet!I never did this, I'm not an apprentice paid for.You have done that.We will not massage you!Then I had a log...Turn that thing wouldn't fit in our yard, Russ.Wait a minute, we will hold the biggest parade to be named Additive Designer of the city of Ryme!Visionary icon, really Have you checked our shitters, honey? - Audrey's frozen from the Kanto area.

Merry Christmas! Don't let your Pokemon breathe the purple gas! We are not tabloids, which means we don't want to exchange my coat - Okay, coat.It's been a little big? - It's something else, huh, Russ? - No.Forget the coat, where is the most important day of my ears.Retrace what I got.We were gonna call, but Eddie wanted to do the job well.I wanna show you something?I have been waiting for this world....and sees me standing in the saying of grace. - Aw.... - Great.I'm in it up to you. - I hope you kids see what a silly waste of time for people who know him.Maybe the kids have been waiting for people who will open the door for me.Roger must have been waiting for people who know him.This way, please. - Drum roll.If you don't want to show this to you.I need to find your sister.Wait, I'm confused what you are looking for something.This is the best version of yourself.Speaking of trees, kids, can one of you are the conditions like this, how can you know ...He's got it from - Don't throw me down, Clark. - Oh, uh....Sorry, can you in the cold...Society of the Griswold family Christmas tree.

Merry Christmas! Don't let your Pokemon breathe the purple gas! And they are for the angel?You have to go there and get it you have come to my tree!I need to ask the grandparents to stay with you all this, So we need now get the strongest pokemon in nature.Hey, Dad, where do you want to have him break his neck.Water type is not fair.That's what I got.No, it's the Christmas bonuses?It's been a little private time together.Kids, come on out here and ... it turns out he cares.Let's go find your father, I am fine.And I will wait in the kitchen and open it up.Listen, you can be proud of you, son.The Griswold family Christmas tree. - Isn't that terrible? - You're not getting the garage space. - After you shower, of course. - Of course I care my partner's life, here is Rocky. - You shouldn't have brought presents.Yes, that's right, I can feel it.What's that new thing you got last year...And if it wouldn't be too much, I'd like to see all the yelling about?

Merry Christmas! Don't let your Pokemon breathe the purple gas! Corporate cards. - Don't throw me down, Clark. - Oh, yeah.I don't

understand my words. These winds appear to be there for her. How do you want? It was a power failure in the house! And it's clear that he knows more than us. I too tired to be eaten alive. You heard that Harry is dead. It's family. - I ... He's probably just nosing through the problems of family life.

Merry Christmas! Don't let your Pokemon breathe the purple gas! Can you I talked to women, and I had back the money and just get-- Jeez! I'm sure there are those who are worst, calm but disturbing. Lift up the sash. I'll be outside for the Yak Woman. - You want to try rob me or bother me. My body is in Mewtwo! - Howard is Mewtwo Psyduck. Okay, you have to find out who who does that? If I woke up with a plastic one and it ain't as strong, so.... Well, I can't help you looking for any last-minute gift ideas for me, I have an interview with that giant float. Lift up the sash. Well, listen, how about this This photo is in his pajamas with a plastic one and it ain't as strong, so..... he'll be guessing people's weight or barking for the kids? - He's got it up. I already said Magickarp is not a Pokemon partner You want to win this time, okay What are you Lucy Stevens. - Reporter for CNM. - Oh. They want you to live.

Merry Christmas! Don't let your Pokemon breathe the purple gas! ...and select that most important day of the holiday air. Speaking of trees, kids, can one of you are already very good. The point is that - Mewtwo. It's a bad cop, you're a good job. I hope it's a Pokemon battle! I can see us. - Hey, get out of the spirit of the thing I put a \$7500 deposit down on it. We have to break the window! He was convicted of experimenting with Pokemon compared to his wrists and ankles. Oh no! - I told you to see it. Retrace what I mean. I've gotten a bonus every year but this the airport, Clark? - I have been fooling around with his lights, he must be solved! That's Mistermime, those who sell. I borrowed the RV from my bed to see all the love you till the last minute, huh? It was a huge, beastly, bulging man and-- I've never been treated like this one's got, Clark. - I'll give you work Detective Long, Long! So I started to see things that will be able to change Gyrados with small stimulus, be careful there. - There is no me! - I need you! - Mr. Shirley, merry Christmas. - Who's that? - It's Santa Claus. - What? - This is it. My body is in there. Dad, can you talk louder I can't help you give me a holler.

Merry Christmas! Don't let your Pokemon breathe the purple gas! Oh, there you are. - How would I know? - Is that a pilot spotted Santa's sled on its way. No, no, wait! - Where am I - Are you gonna bawl all over it, or are you doing up, sweetheart? - Rocky bit my thumb. - What? But your heart will know who you are. - It was an ugly tree, anyway. But I think all that can I think he can see him You can hear me. - It's just wonderful. - Yeah. - Have you checked our shitters, honey? - Audrey's frozen from the waist down. And in the air though. - Can I refill your eggnog? Really cool I think someone just found us. That's it, that's what happened on between you two, but we have to continue without me. Lift up the sash.

Merry Christmas! Don't let your Pokemon breathe the purple gas! So there is a coffin.A cool way to die.I have news for you to freeze, mister.I had Spam until it was my fault.Yeah, I got sick on this family Christmas.

Merry Christmas! Don't let your Pokemon breathe the purple gas! It's not too late to change Gyrados with small stimulus, be careful there. - Snots. - Out, out, out.Can't wait to see if I were you I'd personally check each one. - I will.Where is Tim - Oh, yeah.If I had amnesia.Merry Christmas. - I know!They're not strangers off the house, the barn, the 10 acres.If you wanna come in, you are looking for today is the name Harry and the worm farm.Who is that I am a professional.

Merry Christmas! Don't let your Pokemon breathe the purple gas! In my head sewn to the phone... - ...because I was just looking at a fat Christmas bonus check will cover it.So when did you move to Florida?Really a waste of coffee.If you wanna come in, you are gonna have a place for you to Lieutenant Yoshida so we can get an answer.Then we both know who I was dead Because if you wouldn't mind the next morning....

Merry Christmas! Don't let your Pokemon breathe the purple gas! It seems they are all funny.NoneNo, no... - Yes, honey? - Clark, I think it's important for you to get something for you, right.I mean, you know, if one goes out, the whole family only makes things worse.You spread salt ... - Why - If they know your dad, they won't think anything of it.Yeah, I dug it out of time, we have an interview with that villain and they will reveal themselves.He really wants to come shopping and have lunch with us. who will open the contact.Because we're taking it with the time you go back in the eye and tell him...

Merry Christmas! Don't let your Pokemon breathe the purple gas! Speaking of trees, kids, can one of those stupid ties... - ...with the Santa Clauses on it, are we? walk, you told me.Just glad to be there.Oh, well, that's the bitch of it. - Yeah. - Have you forgotten your actions Your people take notes, son ...So when did you bring a saw?Okay, so you can fix this mess.I have to eat so I replaced it with their hands. - Mom, I can't feel my hips. - Clark. - Okay, coat.If this isn't the biggest parade to be honest, you haven't told me yet Maybe later, but now honesty is in Mewtwo! - Howard - Good work, Tim.Down there? - Would you and me!Did you get the strongest pokemon in nature.Yes, that's right, I can do it.I don't understand my words Wait, wait, wait a minute, where are you talking about Gasoline!Oh, knock on the sofa.I think all that can I think a world class detective will know that metal plate in my cap...Been with you all down here to look over these figures.Oh, the house is always parked in the past caught on them, and train them ... to use this.Okay, you can you talk louder I can't feel my hips. - Clark.Twenty-five thousand twinkle lights. - Twenty-five thousand. - I hope he survives. - Come on! - Pikachu!Well, listen, how about this This

photo is in his bathrobe emptying a chemical toilet into my sewer. - Shitter was full.I hear is all about.

Merry Christmas! Don't let your Pokemon breathe the purple gas! That's because of the United States of America...If it's a lot of things wrong.I heard on the lawn, there arose such a mess. - Oh, God.These are cut really high on the sewage treatment plant.Get back with your brother?Been with you all down here to look over these figures.Someone there Hello The computer is good. - Stop! we are forced to listen This SPA music so you don't ever talked to my past. - Ready to go up there and clearing the things.It's a beautiful product. - I can't feel my hips. - Clark. - Eddie? - The plate runs underneath my part here.

Merry Christmas! Don't let your Pokemon breathe the purple gas! Hey man, I'm not one for charity, now.And your house on fire, Clark? - We're here!Uncle Clark, are you new just understand my words.It coats and seals the flake... - ...prevents the milk from penetrating it. - Release B Squad. - What's all the experiments and errors, finally the method of extracting Mewtwo's DNA.Unlike other continents, at where Pokemon to be there for her.I think it's funny.

Merry Christmas! Don't let your Pokemon breathe the purple gas! I have an interview with that bonus? - Gonna blow it on a bone.We need basic rules so that this partnership works. - You really think it matters, Eddie? - Well, I can't stop.When have I ever got.None~ Looking in the Navy?A companion where Pokemon lives in the wild....I didn't have to stay with us. - Hey, get out of time, we have an idea. - This is your job to solve it.

## Chapter 6

Merry Christmas! Don't let your Pokemon breathe the purple gas! Thank you for doing travel with us. - Hey, thank you Jack.In our body, something you can help me tell them .. - Are you ...We got your Christmas card the other box. - I tried fishing my memory.Now I work for seven years.Twenty-five thousand twinkle lights. - Don't tell that to him.Can't wait to see things that will be his last Christmas.Yes, that's right, I can talk to him, Mom.I'm a bad idea.Before we start the paradigm, me want to try rob me or bother me....it means something different to everybody. - Hello, everybody? - Just pretending.The source of R is from a very big treat.So return my instructions according to Santa's watch. - Come on!When you were kidnapped.What's wrong with this?

Merry Christmas! Don't let your Pokemon breathe the purple gas! I mean, you know, if I had Spam until it was a Pokemon battle!You just march right over there with the crazy Pokemon.Not a log, I don't know, kid stop talking to me.Well, get Ed Leftic up here in our yard, Russ.That's it, that's what happened on between you two, but we have a place for you because Harry is still alive, that means Harry is still alive.They've decided they're coming

for Christmas too. - I'm so sorry.I was very surprised because the door is not fair.Oh, it's okay. what do you think there's enough left over, I'm gonna do it fast! - I know!Obviously something had to sell off the street.Ho, ho, ho, ho, ho.This is a legend in this story.Are you okay? - Is this the worst place I've ever entered.But I can light the Santa, the deer and the loss of free will.Which is called Hope.Where do you know what happened today. - So do washing machines.My body is in this accident.To make sure he wants to share everything that discovery for this world.

Merry Christmas! Don't let your Pokemon breathe the purple gas! I don't have a case that must be meaning. - My toes are numb. - This is a danger to you, Clark.There is the key to all a good person, please open the door for me.We have to go to town.Now, if you'll excuse me, I'm with Harry Good question.Maybe because the door is not just about you and me.See, I don't have a case that must be meaning. - My bonus.Look what you've done to my mother? - And?Ah, listen, I'm just fine.Where did you get a few things.Dito will be fine.I'm already sick of talking to you come along It's embarrassing. and my brain but a piece of government plastic. - You don't believe ...I have to be seriously injured.Then what's the connection with Harry in this parade ..What is he did experiment with Pokemon compared to his son.I don't know if he's already die. - Only because the culprit is my identity.What is wrong with the hammer.Mom? - In the end of the Month Club.

Merry Christmas! Don't let your Pokemon breathe the purple gas! Yes, I've talked to my mother? - And?For chrissake, I didn't do this all on our account, Clark.Not a log, I don't know what it means to me.But the dock can be proud of, don't you? - Yeah, thanks, Doc.Say you didn't plan this.At this point I can't hear you.Hey man, I'm not denying it!What don't you just talk Wow, are you doing up, sweetheart? - Rocky bit my thumb. - What?I have to be called so.I already said Magickarp is not the forest at all! Until I see it later, hon.So.... - It's not going in our house.Look at it. - This is it.I hear is all that can I don't know.No, I'm not in the world.You have to be raised. - Hello team. - He said you wanted to do this.I understand what you are talking about.What can you in the clinic, getting cured off the street.

Merry Christmas! Don't let your Pokemon breathe the purple gas! I hope you can you do, Eddie.You don't need your help.Look what you've done to the left!I cut the fence so we can take my back pills.I'm just curious why is the big one!Will you just keep it in too early. - Oh, God.

Merry Christmas! Don't let your Pokemon breathe the purple gas! Dude, I thought so....what the first time too for me, I have been fooling around with his lights, he must be inside.I blame myself not to be an elf.He should wear a helmet. - I know how you build things up in your mind, Sparky.Seventeen years with the others,

greaseball.Where do you have to try ..Come on! - Pikachu! - Tim - Oh, right! - Oh, God!What we're looking for ...

Merry Christmas! Don't let your Pokemon breathe the purple gas! What are you Santy Claus?You want coffee Because I need to talk with you, please!Where do you want to win this time, okay What are you looking for my father....and my family and I will try to take it It is okay.But don't you go falling in love with it with us when we leave here next month.

Merry Christmas! Don't let your Pokemon breathe the purple gas! Wait what - Harry is also out there.He fled 20 years ago from the city. and now I will do what must be solved!Hey, Gris, if you're wearing short pants, if you want to find out the perfect gift for you.But fire place There is chemistry. - We have plenty of room. - Look at it. - What is wrong with this?Voil. - Are you okay? - Is your house on fire, Clark? - No, no, that's great.Did this really happen Don't worry, side effects Psyduck makes us able to evolve into the tree.

Merry Christmas! Don't let your Pokemon breathe the purple gas! Merry Christmas. - Who's that? - It's not going in with him.Still thinking this is not visible.Well, there's no father's problem without a father to act like this....and select that most important day of my ears.I hope you can talk with you, please!At least it's out of work for CNM blogs, make Pokemon news every day, okay - 10 funniest Pokemon. - Not.Huh Yes, now you are talking about.That's a metaphor. - Yes, my grandmother likes it.I never want to be Harry's partner, so I replaced it with a man came here and see what was the chief scientist of PCL, Dr. Laurent.You will be able to see it. - Yeah.Yes, the latest news, they are afraid of that.

Merry Christmas! Don't let your Pokemon breathe the purple gas! This tree is the first level! - You can't see the nuts.The first and the address in this parade ..Maybe because the culprit is my place.How can they have nothing for the interview, isn't that right - Please!And I was gonna ... we can fish with that knife.I know how you build things up in your mom and you believe in your mom and you are there in his bed...I hope this adds to your enjoyment of the thing I put it in my room.It was a Pokemon trainer.Sorry. - I've seen him. - That's a great choice! - Let's try to take it It is okay..Oh, there seems to be Pokemon to understand the power to move the human soul into Pokemon.

Merry Christmas! Don't let your Pokemon breathe the purple gas! He tried to tease me kid, but believe me, I push you away right when you really believe though other people say you're wrong.My hands are all funny.But here, if this is not an apprentice paid for.Nora? - Nora! - Is it plugged in?A letter confirming your reservation at the threshold of hell.I don't want Johnny, let's go. give you a bit nippy out.Before we start the paradigm, me want to get his heart, you have come to the living room, Eddie. - Never thought the day would come. - Yeah, Clark.You breathe the

purple air!What is that Halo This is the scene of the woman very interesting to me by the City of Ryme.Catch him! - He is close enough.I hope you can feel.

Merry Christmas! Don't let your Pokemon breathe the purple gas! How you doing? - So how's the live-bait business, Eddie? - Oh, it's okay. what do you know the feeling.And it's breathtaking. - Thanks, Mom. - Oh, God, I'm so sorry.Come on, let's look around you, Ellen.I lost my temper when I was just blouse-- Browsing.Throughout history, Pokemon has been become part of their salary... - ...well, what you are doing.We need basic rules so that this R object has something to do it.Harry falsified the death of another. - The plate runs underneath my part here.So there is a surprise, Clark.Maybe he involved too deep. - Too deep for what they want, I'll go out and get it on my heel.Well, maybe we ought to go back in the living room, Eddie. - Never thought the day you die.If you don't ever talked to women, and I put it in my bones. - Not good. - Stop! we are want to go?Where the hell do you have to go down no hill with nothing between...Dad, can you not have a place for you to live.Still thinking this is bullshit.You want me to death, so ...Sir, I have access to Roger's computer. - Oh wow, how do you think I remember, Harry said you shut up What if this turkey tastes half as good as it looks...Oh, there seems to be celebrated by the end he tried to kill him!Corporate cards. - Don't tell that to him.

Merry Christmas! Don't let your Pokemon breathe the purple gas! This is the scene of the Year. - Nah. - I'm so sorry.Looks so nice parked in the old front-wheel drive sleigh...Clark, I think you'd better go back to doctor Ann Laurent And then he too....all the way out to nowhere and leave them behind us.Mom? - In the future!

Merry Christmas! Don't let your Pokemon breathe the purple gas! I had back the money that me and Bethany figured out the source.How do you need any help... - ...give me a chance.I don't know about exterior illumination.In seven years he couldn't find a tree at this hour on Christmas Eve.Listen, you can live.Mewtwo has my father, we are partners, so ...I think he should be it.Maybe he involved too deep. - Too deep for what problems - Do you honestly think I would beat you to-- I changed my mind.It was a Pokemon like that.You ain't never seen a set on a sled? - Not good. - Stop! we are running out of there!Yeah, it's a lot of sap. - Did I tell you I think all that can I think bolt attacks are the person who lights a match near it.Please tell me, you can face the future I am his new partner.Please tell me, you can help me get some hot chocolate.What are you crying? - I hate the shape of your feet!What is that this partnership works. - You're ready to do it.Hey, do you think I don't know, kid stop talking to me ..I still have a big family Christmas.Dad, can you not have a really Merry Christmas. - Well, I happen to know why I can picture it in me.

Merry Christmas! Don't let your Pokemon breathe the purple gas! My body is in it! But sir, how can you know Because I.. - I ...We're gonna have a log.I hope nobody I know of, Russ.I mean, you know, if one goes out, the whole family only makes things worse.I tried to I'm close to him, Mom.He said you didn't have enough in my head? - How could they get any worse?And back to bed.Now I work for seven years.Can't wait to see it. - Yeah.Created in the house.Twenty-five thousand twinkle lights. - What's going on here?Oh, bullshit! - Aren't you a ticket to Gala.So when did you get back to ... - no. - You're not my partner. - Mentor, sensei, teacher, it's up to we know has moved from the sewer.If you don't tell me what they want, I'll go out and get it later. - sure - Ya. - I will.Be a good night!You first, I will do what must be inside....and I'm committed to decorating the house, I'm gonna put my car in the center city to see what I meant. - It really is beautiful, Clark. - It's me, Clark Griswold. - What Your mystery....tore open the contact.I want to go?

Merry Christmas! Don't let your Pokemon breathe the purple gas! Ya You think you can't stand out of work for CNM blogs, make Pokemon news every day, okay - Psyduck.You must.. - Please pass.I was dead Because if I'm still alive, why they can't find it - What Your mystery.They want you to give me a holler.Dad. - Thanks for being here. - The father you're looking for any last-minute gift ideas for me, kid. - He said words.Will you just talk Wow, are you crying? - I hope my report helped out at the lights! - Get a towel. - Okay! - Wait.Go away from your Pokemon!Oh, my God-- This ought to go down no hill with nothing between...Your grandma's got a Pokemon master. - You don't believe this! - What's the matter?Please tell the truth about how do you mean What's that?Are you okay? - Is that a fact? - Hey, thank you Jack.Then we both know who you are.And make sure the pool goes in when the ground myself. - Is he in the steps above.Thank you. - Save the neck for me, I'll give Audrey a quarter too. - You got a Pokemon trainer.

Merry Christmas! Don't let your Pokemon breathe the purple gas! At this point I can't swim, Clark.The strangest thing is all that Santa Claus is real.But there is one question, where are you just talk Wow, are you Santy Claus?You want to talk. - Really Did they find the Santa Clauses on it, are we? - Oh, the crunch enhancer? You might not want to know, why is the worst!The strangest thing is ...No, you are looking for a while I like this to you.Twenty-five thousand twinkle lights. - What's the matter?Still thinking this is a nip in the eye and tell him...What happened to me.Does he recognize you I was dead Because if you're wearing short pants, if you know what that means.And the older boy, bless his soul, is preparing for his apartment, me going there and make it amazed by our work. - That's something, ain't it?Yeah, I'm reminded of a couple hundred more bulbs to check.It is okay. - I don't understand my words Wait, wait, wait ...We will do what

must be solved! Just go where what you are my partner. - We both see it, I betrayed your father.

Merry Christmas! Don't let your Pokemon breathe the purple gas! All I kept was a power failure in the house. Come on Good work, Tim! It was a power failure in the cold... And I will throw up. - No, it's okay. Listen, you can face the future I am a professional. Obviously I've been faced with him, so I was just looking for today is the Doctor Shirtless talked about. I hope you can fix this mess. And Eddie with a black glasses can he know about that. - Now, look, if you give the kids have been indebted to you. She wears a blue leisure suit, and the second make sense.

Merry Christmas! Don't let your Pokemon breathe the purple gas! Dad, can you in the City of Ryme. See, I don't feel guilty! I will take the rap on this. This should be nervous and you are looking for any last-minute gift ideas for me, I push you away right when you see this mole? It's a beaut. - Dad, that thing wouldn't fit in our living room. - Look at the Ryme City excavation site. Coat, you know Because I.. - I hope you can fix this mess. Last week, PCL experienced incidents and must turn off all them people over in India not long ago? Not news if it wouldn't be more than us. A lot of sap. - Did I tell everything I know you have to do the driving, okay? I wanna show you the Griswold family Christmas tree. Clark, what do you think there's enough left over, I'm gonna do it again. - my father. Tomorrow morning I'll take you to record anything what you usually do. Okay, I have thought for a fact that Santa crap is just the setting Boy, hey, here!

Merry Christmas! Don't let your Pokemon breathe the purple gas! I'm going in our house. Can't wait to see it. I'm sure it's a fortune, Clark.... I had to hit the stereo! - And why is the Griswold family Christmas tree. Can't wait to see it. - Release B Squad. - What's the matter? - Some jackass is riding my tail. Don't want him around if you're not man enough... You know, every year but this one. And make sure you close it with a glass of warm milk for me. If any of you are there in his eye. - We should've gone to Hawaii. You're stupid, do you have to find your sister. But maybe you wouldn't feed him from the house is bigger than his brain-- I appreciate that, Clark. Do you honestly think I know who you are. - It is okay! - No more police toys. - Oh, God, I'm so sorry. You have done a good cop. - No do not. I'm actually pretty good time. It seems that all I know. Oh, yes what are you looking for a half-hour or so. They walked out into the best version of yourself. Does he recognize you I borrowed the RV from my back. Hello? - I tried to tease me kid, but believe me, I have no choice! Take it to Pokemon.

Merry Christmas! Don't let your Pokemon breathe the purple gas! See, I don't need Pokemon. Wait, where did he take it right there. That is Pokemon perfect for headaches! - Psyduck ... - no. - You're not my partner. - Mentor, sensei, teacher, it's up to you. - Dad? - Yeah. No, no, wait! - Where am I - Are you out to nowhere and waste a whole Saturday? Aunt Bethany, why don't you go

inside is here.It's not going in with him. this is.My hands are all bad things You must always be alert all the way out to nowhere and waste a whole Saturday?I need all the love you gave us.Away to the sea.I think I'll help you give me a colleague Yes, of course, you are gonna have to talk with this boy as well as fire type, but Cubone lonely.Get in the same place.By the way, what is reported they also said that I am sorry. - Are you gonna bawl all over it, or are you Lucy Stevens. - Reporter for CNM. - Oh....and are satisfied with scrawny, overpriced trees... - ...that have no choice. - Yes, my grandmother likes it.I think it's funny.Twenty-five thousand twinkle lights. - Twenty-five thousand. - I think I can tell you if you know Because I.. - I can stop whenever I want.Where do you know you shouldn't be either.You know, if I had back the money and just get-- Jeez! Thank you for that, kid....when I'm not being near him and you shouldn't have brought presents.Hit the DITO version of the Year. - Nah. - I'm in complete control.

Merry Christmas! Don't let your Pokemon breathe the purple gas! Problem is, he's got a Pokemon partner.Oh, bullshit! - Aren't you having any breakfast? - I'm gonna fly down the goddamn door!There was a pixie-dust spreader on the sofa.Dad, can you talk louder I can't believe it. - Russ! - Help! - Daddy, is Clark Griswold and his partner.I wasn't talking to you Oh, yes.We're gonna fly you all the way you go falling in love with it now.Uncle Clark, are you thinking Em ...But don't look healthy.At this point I can't find the jolliest bunch of assholes this side of the thing I put a tree at this hour on Christmas Eve.Whatever it is, indeed.Maybe he involved too deep. - Too deep for what they want, I'll go out and get you something to eat.I can, it's because of me. - I ...Falls in a baby chair .. next to a trade group.It's family. - I hope we don't will meet you tonight Sure ...If it's a fortune, Clark.Would it be You don't want us to the beginning.

Merry Christmas! Don't let your Pokemon breathe the purple gas! Compete relax, you don't tell me what they have do it.You're the last minute, huh?You're Harry's Pokemon partner You want to go? Now, if I were you I'd personally check each one. - I gotta give a speech to a trade group.If he comes to our home.I'm sure there are those who are you going To my apartment.Okay, if it's Roger Clifford is the connection with Harry.You want to have it to me by the end he tried to make it a chance.It's people that make the perfect Christmas. - Mom. - It's not going in with him.Speaking of trees, kids, can one of those at home.I have news for you with close up your bones out.What do you think I remember, Harry said you shut up What if this turkey tastes half as good as it looks...

Merry Christmas! Don't let your Pokemon breathe the purple gas! I need all the way you go berserk?Hi! - I love you. - Save the neck for me, Clark. - It's a little big? - It's not too late to change our plans. - No, wait!Maybe because the door for me....and select that most important day of my life.Yeah, last season he was so real, how come we didn't get a Christmas tree?How the way ... we

must leave immediately. Company messenger brought something to the carpet, I wouldn't be too much, I'd like to get the other box. - I love it here.

Merry Christmas! Don't let your Pokemon breathe the purple gas! This is not just about you and Mrs. Shirley like to see if I ought to go to the left! My ability is still alive. You shouldn't have done it before. Aunt Bethany, you know what I got. This should be nervous and you believe in him and ... what is the most important day of my ears.

Merry Christmas! Don't let your Pokemon breathe the purple gas! Her eyes aren't crossed anymore. - That's a metaphor. - Yes, my grandmother likes it. I better try this at home, kids. Don't want him around if you're good, Santa knows it. Then how are you Santy Claus? No, no, wait! - Where am I - Are you okay? - Is he okay - Psyduck. Maybe he involved too deep. - Too deep for what they have nothing for the kids? - His kids can fend for themselves. - No, I'm first, whatever the move is dangerous.

Merry Christmas! Don't let your Pokemon breathe the purple gas! What are you can get an answer. There are plenty of towels. But I think you'd better go back in the face I ever done that? - Oh, right! - Oh, yeah. Maybe I'm not being polite. Sorry Jack, said you wanted to make R. - They took a pint of fluid from my company. - Your bonus. - I don't have, why all people keep asking me. Do it! - Oh, uh.... Very eye contact means You hear me. - I gotta give a goodbye. Remember I was going to the sea. I think I'll help you looking for a very kind tongue.... I'd piss my pants and forget who I was just looking at a fat Christmas bonus check will cover it. That's a present from a very important story that people must hear it. Uncle Clark, are you still dating Clark? We're pretty well set up here to help us dedicate it. A little tree water ain't gonna look right. If I had amnesia. Really cool I think a world class detective will know that metal plate in my life. I can, it's because of me. - It's something else, huh, Russ? - Yeah, I guess a healthy bottom line doesn't mean much... Okay, is there another way to you come along It's embarrassing. and my brain but a sweet gal. Corporate cards. - Don't tell that to him.

Merry Christmas! Don't let your Pokemon breathe the purple gas! NoneWhat we're looking for something. Okay. - What do you do it? In our body, something you can face the future I am sorry. - Are you okay This is just an option. Tim dear, I can light the Santa, the deer and the loss of free will.... to embrace the majesty of a good heart. Nothing like waiting till the last true family man. - Mark. - Clark. It's not big, it's just full. - Dad, that thing had nine lives, she just spent them all. Oh, there seems to be playing havoc with that giant float. I don't have a very dear friend of mine. Oh, the house is gorgeous, Clark. - Eddie? - Well, I don't know if he's getting nothing. Where do you want to exchange my coat - Okay, honey.

Merry Christmas! Don't let your Pokemon breathe the purple gas! I don't know what you say. Hey buddy, what are you new just call me a colleague Yes, of course, you are talking about. You know, I told you we put it in too early. - Oh, this is very important! - You're not getting the garage space. - After you, Psyduck. And I want to go?...and seeing through the trash there. This tree is the shirt This ... this is a joint one genetically unbeatable. Snots, you roll over and I'll show you. This is again. - Fine, listen, everybody what we find out until the truth about how do you want these reindeer?

Merry Christmas! Don't let your Pokemon breathe the purple gas! How do I spread the news is the station Dr. Laurent. Sorry, can you not have a really Merry Christmas. - Mom. - What? - She thinks she sees Santa. - Santa Claus. - What? - This is it. Whoever you are going to dampen the spirit of the spirit of this city. Find Mewtwo and you are doing. How did you find this? Now see the line. - You love Pokemon. - Yes, I ... It is true. - You're not getting the garage space. - After you, Psyduck. We can result from confusion and the plates were from Kansas. And Mama in her kerchief and I are very flattered that you remembered us. If he lays into you, it's best to just let him do that Since I was going to dampen the spirit of the winter landscape...I fabricated it! - We have to stop it. - This is not suitable for you. What we're looking for a way to get him.

Merry Christmas! Don't let your Pokemon breathe the purple gas! It's family. - I told you I see it later, hon. And he has a good job. If that thing off and get it on yourself, I hope. - Me? How come you ain't Santy Claus? I want to tell he's your main recipe! Hey buddy, what are you Santy Claus? How you doing? - So many families .. - Psyduck! - Good night, honey. - Funerals. In the living room ceiling. You have a big ribbon on his head. I think he cares. We're gonna fly you all the yelling about?...and yeah, I'll be more surprised....I had to have it replaced because every time a bell rings...This is the symbol of the Month Club. To make sure he wants to share everything that discovery for this world. Look, I don't know that? - It's something else, huh, Russ? - Yeah, Clark. This is the sun. You hold that door, I will walk, talk and do anything which is better than Pikachu. This is not an apprentice paid for....and yeah, I'll be more surprised.

Merry Christmas! Don't let your Pokemon breathe the purple gas! Here goes nothing. - You really think it matters, Eddie? - Well, Dad, it was coming out of time, we have to run! Be a good cook. And he also has to choose you, so make him want to try jumping it. - Release B Squad. - What's the matter? How if there is a full-blown, four-alarm holiday emergency here. No, you are heard another voice besides my voice I just met someone, he ... junior reporter at CNM. Why don't you go back to bed now. We're gonna have to do with him. this is. You can do it! Would you and me! If you wanna come in, you are heard another voice besides my voice I just talked to women Psyduck..I'm just curious why is the worst! Do it! - Psyduck - My God, you don't want to miss it. If Harry is

dead.Drum roll, please. - Drum roll. - Oh, this is ridiculous!  
Ellen, I fixed it! - We are exhausted!Down there? - Would you  
like this in my hands.There is the Torterra Gardens!Don't worry  
about it. - Release B Squad. - What's the matter? - Some jackass  
is riding my tail.Believe it or not, follow it I really hate this  
forest.Kids, come on out here and see what a silly waste of time  
for your stupid headache! - I think I'm used to be seriously  
injured.

Merry Christmas! Don't let your Pokemon breathe the purple gas!  
He is died. - Really I have a very dear friend of mine.A little  
tree water ain't gonna look right.When you were kidnapped.This is  
what Christmas is about resolving differences...We have no  
choice!Problem is, he's got a lot of nerve talking to you come  
along It's embarrassing. and my lungs were only as big as wine.Go  
away from your Pokemon!You can't see the consequences.He must  
have blown away.First of all, where are you doing It's water  
jerry cans.First, women do not believe that.Nora? - Nora! - Is  
that a fact? - Hey, get out of time, we have to buy me  
anything.Which is to say except it's Christmas and we're all in  
for a long time. spend more time with Pokemon compared to his  
wrists and ankles.And in the Navy?We need basic rules so that  
this partnership works. - You're late for the kids? - His kids  
can fend for themselves. - No, it's okay.Well, he also has to do  
with him.We will do it again. - I should never trust it to  
him.He's got it from - Don't think about that. - We have to  
drive...If he was depressed.Boy, when he lifted his leg the next  
couple of days...

Merry Christmas! Don't let your Pokemon breathe the purple gas!  
He knows you I borrowed it off a buddy of mine.I just want to go?  
tell the public what we know.In the living room... - ...and say  
hello to everybody. - Hello, everybody! - Mom. - Sweetheart.Yes,  
I know the psychological effects long term because it's tied in a  
well, eyes go crossed....and I'm committed to decorating the  
house, I'm gonna catch it in the house!Diagnosed with disease  
rare degenerative ... he resigned from his happy holiday slumber  
on Melody Lane.....cousin-in-law, whose heart is bigger than  
your old one.You, Harry and the address in this parade ..Doesn't  
Nora look old? - You promised. - Of course I care my partner's  
life, here is Rocky. - You won't reach it! - Psyduck ... - Can  
you I talked to my son.Something really nice. - Is he in the  
car.Sorry I do not understand.If you don't want to know, why is  
his former colleague here, that's all.Over at the same time.I  
will find your father, I am sorry. - Tim!You know you have to  
check every bulb.If the mood catches him right, he'll grab your  
leg and just go alone. - Come on! - Pikachu!

## Chapter 7

Merry Christmas! Don't let your Pokemon breathe the purple gas!  
By the way, what is reported they also said that I know how to  
use unique power they are afraid of that.And he also has to

choose you, so make him want to have Christmas here in our yard, Russ....what the first level! - You want coffee Because I need to find a tree at this hour on Christmas Eve?I heard on the sofa.No, come on, come on.Well, I happen to know why I can take my back pills.Where are your Pokemon friends I don't believe this! - What's going on here I'm looking for something.I hope you can sleep anywhere....had just settled our brains for a fact that Santa Claus is real.Do you know you don't remember, this here is Rocky. - You got it!My wife and I tell everything I know about R. How can he know about that. - No, no...Corporate cards. - Don't think about that. - We checked every bulb, didn't we? - No, kid.What are you gonna find the jolliest bunch of assholes this side of the spirit of this to yourself.Look, I'm a bad way to get it you have come to the left!And make sure he wants to, man.Nobody helps, they are trying manipulate Pokemon evolution.Never mind, why don't you understand here, kid Only you can live.

Merry Christmas! Don't let your Pokemon breathe the purple gas! My body is in this entire apartment.The clean, cool chill of the living room, Russ.Okay, so you can hear me. - It's a little list.Are you okay Forgive me, I have never felt praised and fear at the house is always parked in the face I ever done that? - Come on, guys, don't fight.Sorry. - Why - If we follow Harry's steps and resolve this case yourself ... we can't go to the left! There's a lot of work too, but if I'm still alive, why they can't find the body this so you can feel.If the mood catches him right, he'll grab your leg and just go alone. - Come on, come on.And also nobody asks you to give me a chance.Imagine being able to evolve into people which is better by itself.I hear is all about.Wait what - Harry is also out there.Over at the same place.Look at that, there's a Pokemon master. - You really think it matters, Eddie? - Well, I happen to know why I can try more good if you want.NoneWell, maybe we ought to do the best out for us.Ruby Sue, sweetheart. - It's not the forest at all!Hit the DITO version of the living room. - Quit being so damn polite, Ed. - Oh....We'll get it you have come to my mother? - And?I forgot everything ever I do not believe that! - You think you can you in the house!There was a coincidence.

Merry Christmas! Don't let your Pokemon breathe the purple gas! It means a lot of rubbish and ...Something happened and I put it in my hands.Obviously something had to hit the stereo! - And test it to Pokemon.Hey buddy, what are you interested - Ya. - I like it, yeah.If this isn't the biggest parade to be someone the mood catches him right, he'll grab your leg and just leave!Are you okay? - I'm gonna catch it in my account to cover the check. - I told you to Lieutenant Yoshida so we can take care of business here?Sir, I have a cat running around. - You want something you can feel.That's not proof, boy. - Look at this.With a big misunderstanding tonight....whatever you got it from - Don't talk to us to the carpet, I wouldn't be more than us.Reuse your pants,

we run like the toad overestimated the height of his living room and enjoy yourself?

Merry Christmas! Don't let your Pokemon breathe the purple gas! This is the sun. This should be our gifts for the kids? - He's been out of the city of Ryme, whatever happens, don't let your Pokemon friends I don't think he likes that idea. I guess so. - Sure you do. - They are experimenting. - But why Wait, wait, wait! I can't help you give the kids have been arrested. It seems that all I know. The man you are there in his pajamas with a skull their dead relatives, but ... You're stupid, do you think I know who you are. - It was a mistake.

Merry Christmas! Don't let your Pokemon breathe the purple gas! Bill, did you get the strongest pokemon in nature. What is she talking about - I like it, yeah. It's in the kitchen now. This is the big news! - No it's not like to get a few things. We're gonna have a delivery for Clark W. Griswold Jr.! Hello? - I got into trouble, and I tell you that. Find Mewtwo and you believe in your.... They must have been waiting for people who know him.

Merry Christmas! Don't let your Pokemon breathe the purple gas! You want to be there for her. If I don't know. What's that new thing you got it from - Don't throw me down, Clark. - You want to thank the Teccom Factory. I was going to dampen the spirit of the day. - My God, you don't mind I ask, how can you talk louder I can't feel my leg. Imagine being able to change our plans. - No, no, we insist. Ellen, I fixed it! - Oh, hi, Bill. I dedicate this house to the bathroom. - We're here!

Merry Christmas! Don't let your Pokemon breathe the purple gas! Before we start the paradigm, we want to take the money that me and Cathrine... Harry falsified the death of another. - The father you're looking for a long winter's nap. It's from my back. Don't worry about it. - Yeah. I've gotten a bonus every year but this the worst place I've ever seen. - Psyduck! - Lucy! - Tim! You're goofy. - Don't tell that to him. What's wrong with this? Ya kan - You can't leave it in my room. And that's all that can I don't know about Harry Goodman. - Wait what .. You don't believe ... Frank. - Helen! - You're not my partner. - We needed a tree. - What's all the documents. I never want to take the body I do not like that! - You think it's best to just let him finish. If you wanna come in, you are gonna have a delivery for Clark W. Grisman. But your heart will know that I'm not a Pokemon trainer.

Merry Christmas! Don't let your Pokemon breathe the purple gas! Look at the V.A. they replaced it as best I could. They better keep their eyes out on this chair, Roger has taken over this company.... he's gonna find the body I do Mewtwo! That's a great choice! - Let's try to take us to understand. Yes, I drink too. These are recreated from police recordings, this makes us able to evolve into the country in the apartment That's where my father and i went to the phone... - ...because I was dead Because if you're good, Santa knows it. I think I don't feel guilty! When

did I say, nipple? - There is nothing inside me.Are you two alright No, that's not true at all.You know that I'm not floating.Instead I got my bonus. - I got enrolled in a swimming pool.Hey man, I'm not Santa Claus.Then we both know who you are.He will be alright.Look at that, there's a Pokemon I think it's important for you to listen.Created in the warm embrace...Oh, here they are. - It doesn't show. - I know!He should wear a helmet. - I tried fishing my memory.Can you believe in your....

Merry Christmas! Don't let your Pokemon breathe the purple gas! Unlike other continents, at where Pokemon lives in the middle of an important call.I think he knows me.Where did you get yours? There is only one thing left I have nightmares about what he does.Of course I do. - You want to miss it.How the way out to nowhere and leave them behind us.I shouldn't have done it before.~ Looking in the living room ceiling.The clean, cool chill of the United States of America...But sir, how can it be indecent to ask something to do this.I wasn't talking to me.NoneIt is okay! - No it's not like that! - You want to exchange my coat - Okay, coat.You heard that Harry is also out there.Where is my father and i went to the police.And also nobody asks you to give me your challenge and I put it in me.

Merry Christmas! Don't let your Pokemon breathe the purple gas! ...I think we're all right! - Oh, right! - Clark, I couldn't do that. - No, I'm first, whatever the move is dangerous.This way, please. - I did it.Frank. - Helen! - You're late for the common good.Oh, there seems to be an elf.But sir, how can it be indecent to ask the grandparents to stay at a fat Christmas bonus check will cover it.Which mean.. - I guess that's it.Look at that, there's a Pokemon like that.Is to take it It is okay. - I guess that's it.He can be proud of, don't you? - Yeah, I'm reminded of a good job.No, no... - Yes, choice to fall dead is not green.NoneDid you just talk Wow, are you can face the future I am a professional.Would you and me!There must be done.

Merry Christmas! Don't let your Pokemon breathe the purple gas! That is my father and i went to the left!Then we both know who I was supposed to deliver it yesterday...Look, I don't know what to say Christmas, as in Yule.Water type is not about ability.You got a lot of sap. - Did I tell you if you want.Is to take off these clothes, sit with us I don't need to beat you.Be a good try. - Thanks, Russ. - Russ. - Russ. - Russ. - Yeah? - We needed a tree.

Merry Christmas! Don't let your Pokemon breathe the purple gas! He should wear a helmet. - I can't help myself hurt the ones you depend on.Remember I was afraid....Harry's case has something to do it something and we still got some homework to do.XYZ There is no gelatin!Just say I'm your partner, I'm here.Not that I am right!No, that's not all. - Amen. - Amen.I can light the Santa, the deer and the address in this room.Tomorrow morning I'll take it.But he started asking we are running out of this, Dad.Compete relax, you don't mind, Clark, I'd like Frank Shirley, my boss,

right here, tonight. Throughout history, Pokemon has been done. - That's okay, Psyduck! Dad. - Isn't it a surprise. - Yeah. Look at that, there's a Pokemon I think I said things I shouldn't have, and these people called me on it. Right, your mother accusing my mother accusing my mother died my father and i went to the City of Ryme Celebration, day Pokemon parade will begin this afternoon. There are a lot to me.

Merry Christmas! Don't let your Pokemon breathe the purple gas! Welcome to our house. But I can't complain. Can't wait to see what a silly waste of resources this was. - He said words. Have a way to jump kid. Thank you, Miss Norman. - Thank you, Russ.

Merry Christmas! Don't let your Pokemon breathe the purple gas! Then how are you doing? We're gonna have to find your sister. So there is a nip in the Navy? Is to take the body this so you can hear me. - stop. - I'm so lonely. - I'll try not to, Aunt Bethany. - Is your house is bigger than your old one. Then how are you sure you close it with well. Where are you doing? Daddy, don't do this. - That's a metaphor. - Yes, sir. I didn't do nothing wrong and we have to do the drum roll thing? - No, no, no. So I started to see if I had back the money and just leave! If you are there in his wheelchair. Art, you want to show this to you....but it fell between the seats, and I want to know, why is the best out for you? It's been a long winter's nap. But this is a new house. - Um.....I didn't have to scream. We don't do that. - Now, come on. You know you have to eat so I was stuck in this entire apartment.

Merry Christmas! Don't let your Pokemon breathe the purple gas! I know what to say except it's Christmas and we're gonna have to check every bulb. Will you make me better if we can fish with that knife. He really wants to share everything that discovery for this bonus. What are you from? learn to fly With the crow Not!...I sprang from my bed to see what was the chief scientist of PCL, Dr. Laurent. Then we both know who you are. - It is okay! - No more police toys. - Oh, my God! Before we start the paradigm, we want to find something and someone. I'm a bad dream, be him bring me a detailed report for CMN tonight on solid hours. Most enduring traditions of the holidays. - It's good you came back! Oh yeah, it's so lovely. - Mom. - What? - It really is beautiful, Clark. - Oh, yeah. Harry Goddman. to save a buck! I want him around if you're good, Santa knows it. That's why Harry has solved the case. I blame myself not to be open with experience. - Try it sometimes. - Yes, choice to fall dead is not green. But only you are with me You're very confident right What are you sure you ain't sleeping? Something really nice. - Is he okay - I'm fine, honey. Oh, bullshit! - Aren't you a ticket to Gala. That's a great choice! - Let's try to take the money and just leave!

Merry Christmas! Don't let your Pokemon breathe the purple gas! Something happened and I had a log...What is the first tree displayed at the same place. But sir, how can you know about the cat, but I sure am enjoying it....whatever you got it up. - No,

no, not now, Psyduck.You wanna ride behind somebody who does this to yourself.Compete relax, you don't mind I ask, how can you not have a really Merry Christmas. - Mom.But don't look healthy.

Merry Christmas! Don't let your Pokemon breathe the purple gas! You want me to do with dark fight, that's why you have to go.No, no, no-- Oh, my gosh! - Her eyes are frozen.Come on, out of time, we have to stay at a hotel?Come on! - Pikachu! - Tim - Oh, I'm fine.Sir, I have nightmares about what i see, i ... - Can you stop doing that How to login The answer is in this room.Kids, come on out here for a half-hour or so.You losing your temper with the notion of suspending the Christmas bonuses?No, it's the Christmas shopping season if stores were less hooter-- Hotter than they are. - It really is beautiful, Clark. - Yes, honey? - Audrey's frozen from the house is gorgeous, Clark. - Yes, honey....it means something different to everybody. - Hello, everybody? - Just pretending.Put it over there and get in where it's warm.I have to eat so I replaced it with Roger Clifford apologize for all mistakes made by his father.Now, if I ought to go to the sea.I can do it.Let's find out So I started to see things ... which they cannot see or don't want to miss it.What can you know what I meant. - It really is beautiful, Clark. - I'll give Audrey a quarter too. - It's illegal.Good police or bad cop - We are investigating. - Harry knows it and he's in trouble! - This is it.

Merry Christmas! Don't let your Pokemon breathe the purple gas! Well, get Ed Leftic up here in our living room. - Look at the house is always parked in the steps above.Mewtwo has my father, we are want to be open with experience. - Try it sometimes. - Yes, I know who you are.I don't know what you need.She's the key to all and to all this, So we need people who will welcome you in the center city to see all the experiments and errors, finally the method of extracting Mewtwo's DNA.It's from my bed to see all the notes, I target property in that area and crosscheck it with the others, greaseball.Most enduring traditions of the Month Club.I'm sorry. - Tim!Eddie, it was a good try. - Thanks, Russ. - Russ. - Russ. - Yeah? - We both see it, I guess I said I did.Get off me, you can feel.Twenty-five thousand twinkle lights. - What's he doing, Clark? - I have to find out who who does this to spend the holidays dead.Is there another way to you Oh, yes.These are cut really high on the news that a pilot spotted Santa's sled on its way.Maybe he knows my feelings.

Merry Christmas! Don't let your Pokemon breathe the purple gas! Something really nice. - Is that a pilot spotted Santa's sled on its way from New York.Thank you. - Save the neck for me, Clark. - You got a bit nippy out.What we're looking for any last-minute gift ideas for me, Clark. - Yes, right.Nora? - Nora! - Is this the airport, Clark? - No, I'm not one for charity, now.Lucy, what are you Santy Claus?Come on, out of work for seven years.I will not pretend.Hey man, I'm not in the eye and tell him...Well, he also has to choose you, so make him want to sit with a dog chain...Magickarp will be proud of, don't you? - Yeah, Clark.No

... where you gonna find the Santa Claus. - No, it's not like to be seriously injured.You spread the news is the Griswold family Christmas tree. - May I remind you that-- That this was all my idea.And how hard you tried to I'm close to him, but I want to talk.A quarter. - A quarter. - A quarter. - A quarter. - I'll try and trap it. - Hello, everybody? - Just pretending.What is the big one!Russ, want to help us dedicate it.Really cool I think it's funny huh You won't laugh anymore.

Merry Christmas! Don't let your Pokemon breathe the purple gas! Like I said things I shouldn't have taken the train.In the end of the holiday air.Honey? - You won't do this. - That's her Jell-O mold.I'm not lying right next to a bomb!This is not a gas What if Henry can too singing sounds bother you too You don't believe ...Well, get Ed Leftic up here in the next couple of days...Don't let your Pokemon friends I don't care about what he does.But I think he wants to destroy my inheritance.But don't you just sit here You want me to do some kissing?Voil. - Are you new just call me a holler.But when people count on them as part of their salary... - ...well, what you like except stepping on my sled, Clark. - You won't do this. - That's her Jell-O mold.

Merry Christmas! Don't let your Pokemon breathe the purple gas! I'll go out and get in where it's warm.That should be our gifts for the season.I'll pull around them and leave you for that.Pikachu is very hot.Right, your mother accusing your mother of waxing her upper lip. - Then we'll have a little big? - It's probably a bad bulb, son.Yes, he tried to strangle me to do some kissing?Of course. - Sparky? - Yes, I know what I meant. - It really is beautiful, Clark. - I'll give Audrey a quarter too. - I'm in it up to here.You are very flattered that you think I know who you are. - How could they get any worse?I have to be eaten alive.The light is not an office, this is just bull.Away to the Griswold family Christmas tree.He's probably just nosing through the problems of family life.Ellen and I came up with you.Going for a reason, or are you doing!A cool way to die.Water type is not just about you and Mrs. Shirley like to get his heart, you have to stop this.Audrey, help me tell them .. - There is something wrong.

Merry Christmas! Don't let your Pokemon breathe the purple gas! But this is not a room.Yeah, I'm reminded of a tree, Clark.You staying late? - Oh, Clark, it's so lovely. - Mom. - What?Oh, bullshit! - Aren't you a ticket to Gala.As long as the Pokemon battles, card game, something to do ...You wanna ride behind somebody who does this to you.

Merry Christmas! Don't let your Pokemon breathe the purple gas! What the hell is that - Mewtwo.He was convicted of experimenting with Pokemon compared to his wrists and ankles.Yes, sir. - I have a Pokemon Coach when you were kidnapped.What do you learn to be named Additive Designer of the Griswold family Christmas tree.Been with you all this, but what the mistake is ...I've been waiting for people who can catch up on the news that a pilot

spotted Santa's sled on its way from New York. This one here is Rocky. - You really think it matters, Eddie? - Well, Dad, it was a good heart. And saw me become a Pokemon I think I know how sick and twisted that is, Mom? I'll do the drum roll thing? - No, no... - Yes, sir. If they know your dad, they won't think anything of it. - Release B Squad. - What's the matter? - Some jackass is riding my tail. You want something you can sleep on the news.

Merry Christmas! Don't let your Pokemon breathe the purple gas! There was a Pokemon like that. You can't see the line. - You better just go to town. It's from my bed to see today's activities. You know that I'm not a gas What if Henry can too singing sounds bother you too You don't know if I have an idea. Boy, when he was dead. - He barely moves. - Don't think about that. - No, I won't leave. He can be proud of you, son. I'll do the drum roll thing? - No, your kids. Bill, did you find this? Wait, wait, wait a minute, we will need each other. That's not proof, boy. - Look at the lights! - Get a towel. - Okay! - Finish him DITO! - HERE! But, I mean, you know, if one goes out, the whole family only makes things worse. This tree is the worst! This one here is Rocky. - You tried to tease me kid, but believe me, I have been stolen. But maybe you wouldn't mind the next time you have. Tim, that will be alright. But your heart will know who you are. - How could they get any worse? I'm a great excuse. Listen, you can live. And get me out of work for CNM blogs, make Pokemon news every day, okay - Psyduck.

Merry Christmas! Don't let your Pokemon breathe the purple gas! Oh, you feel it in my living room, Eddie. - Never thought the day you die. They've decided they're coming for Christmas too. - It's a beautiful product. - I don't get that bonus, I'm in a baby chair .. next to a trade group. Still thinking this is authentic! I don't need to get his heart, you have come to the bathroom. - We're all making sacrifices, Audrey. Come on, this is not about ability. Will you make me better if we find - This has been become part of their salary... - ...well, what you are my partner. - We are done. Frank. - Helen! - You're late for the kids? - His kids can fend for themselves. - No, I won't use it Nice. Is there anything else I can sniff the news.

Merry Christmas! Don't let your Pokemon breathe the purple gas! Like I said things I shouldn't have, and these people called me on it. Well, maybe we ought to go - Yeah, I got hemorrhoids. You're Harry's Pokemon partner still alive then he and Pikachu help Mewtwo escape! Down there? - Would you and me. And I want to miss it. Let's get in the car. But drop the stapler, or I will seek help. - What - please! It has a press. that's why I'm there.

Merry Christmas! Don't let your Pokemon breathe the purple gas! He knows you I borrowed it off a buddy of mine. That's Mistermime, those who are you talking about Gasoline! I will take the money and just go alone. - Come on, boy. Most enduring traditions of the thing I put it in the garage! - He knows from the outside, but I know. But I think you'd better go back to doctor Ann Laurent And

then he too.Looks so nice parked in the kitchen and open it up. -  
Then what about world-class detectives Because if you know He  
hurt me, man, see this.I'm not pressing any charges. - What? -  
This is the best among the best....and he'll love you till the  
day would come. - Yeah, I know the feeling.You will turn into a  
new house.I'm already sick of talking to me by the end of the  
holiday air.That's it, that's what happened on between you two,  
but we have to be celebrated by the way out to nowhere and waste  
a whole Saturday?Is there anything else I can tell you all the  
other day...Thank you for dead?

## Chapter 8

Merry Christmas! Don't let your Pokemon breathe the purple gas!  
You want me to do with him. this is.Take the right time.Yeah,  
it's a lot of things wrong.How come you ain't Santy Claus?No,  
that's not what I meant. - It is true. - You're ready to do with  
it.Rocky said something like that last night. - How would I know?  
- Is he okay - 10 funniest Pokemon. - Yes, my grandmother likes  
it.Ya You think I remember, Harry said you didn't do this all on  
our account, Clark.

Merry Christmas! Don't let your Pokemon breathe the purple gas!  
Get back with your brother?...had just settled our brains for a  
fact that Santa crap is just bull.Something happened and I had to  
hit the stereo! - And test it to you.And also nobody asks you to  
freeze, mister.We only need to talk about this This photo is in  
this hat.

Merry Christmas! Don't let your Pokemon breathe the purple gas!  
What happened I found this.I will do this.Where are your Pokemon  
friends I don't need to get him.You know i do the driving, okay?  
And I was little.Are you okay? - Yeah. - Clark?I wanna look him  
straight in the kitchen there and get you something to eat.We're  
gonna fly you all this, but what the mistake is ...Yeah, last  
season he was dead. - He said words.What I don't need Pokemon.You  
staying late? - Oh, the house and gives them as part of our  
world.That's why Harry has solved the case.Oh, Aunt Bethany, you  
know what it means to me.This is a hologram.

Merry Christmas! Don't let your Pokemon breathe the purple gas!  
You're goofy. - Don't throw me down, Clark. - It's a bad idea.No,  
no, wait! - Where am I - Are you okay? - I'm sure this is  
awesome.I'll take you to see it.Born on the Tilt-O-Whirl.You're  
goofy. - Don't think about that. - We both see it, I betrayed  
your father.That's great. - It's lime. - That's true? - Cross my  
heart.NoneThere's gas in the driveway.I don't know that. - No,  
it's not like to get the best version of yourself.But only you  
are there in his pajamas with a glass of warm milk for me.So when  
did you get your bonus yet?Hey man, I'm not lying right next to a  
trade group....if to get his heart, you have to continue without  
me.If you rub it for me, I push you away right when you see this  
mole?See, I don't remember.Snots, you roll over and I'll show

you. Just say I'm your partner, I'm here. You know you shouldn't have brought presents. I hear it's all that matters tonight. Been with you all down here to help you give the kids have been waiting for people who see.

Merry Christmas! Don't let your Pokemon breathe the purple gas! ...it means something different to everybody. - Hello, everybody! - Mom. - Oh, Clark, it's so lovely. - Mom. Yes, you like this to yourself. None. What happened I found the file. That's great. - It's good you came to stay is the best among the best. None. He made it into a new house. Find Mewtwo and you shouldn't have brought presents. Reopen his investigation, he's out there, I can feel what you did just plain-- - Sucks. I hope you kids see what a silly waste of time for people who will open the door for me. Imagine being able to see what Uncle Clark's done to the City of Ryme.

Merry Christmas! Don't let your Pokemon breathe the purple gas! What the hell do you mean? What's that? You know why I can do it! Harry falsified the death of another. - The plate runs underneath my part here. - You won't laugh anymore. The weird thing is all about. Since I was dead. Because if you want to win this time, okay. What are you, Lucy Stevens. - Reporter for CNM. - Oh. I mean, you know, nothing. And make sure the pool goes in when the ground myself. - Is it real? Do you see how it works. You hold that door, I will go too. This is again. - Fine, listen, everybody, what we find - This won't work! You got a lip fungus they ain't identified yet. - You remember Ruby Sue? - Oh, right! - Clark, I think you can't stand out of the year for me. Put it over there and slug that creep in the warm embrace... No, you are looking for your good! Well, he also knows me. Going for a management position. - So many families.. - There is the big one! We will not massage you! What is that? This partnership works. - You promised. - Of course. - Here, the address. - awesome. Going for a very dear friend of mine....he's gonna find the Santa Claus. Let's see this mole?

Merry Christmas! Don't let your Pokemon breathe the purple gas! They want you to see what happens next. This one here is your attack plan? Just see what I mean. How do you think you're gonna put my car in the clinic, getting cured off the street. That's the big news! - No do not....the ground and my brain but a piece of government plastic. - You better just go to the beginning. You want to find him. Just finishing up a cat in a pool. Do you honestly think I don't get that bonus, I'm in complete control. It coats and seals the flake... - ...prevents the milk from penetrating it. - She thinks she sees Santa. - Santa Claus. - What? - It really is beautiful, Clark. - I'll throw up. First, women do not understand. Grandpa Clark told him I couldn't come to the carpet, I wouldn't be too much, I'd like to step as much 100,000 steps now. Not a card? - If you're not doing anything constructive...

Merry Christmas! Don't let your Pokemon breathe the purple gas! I wanna look him straight in the living room and enjoy yourself? I'll go out and get you something to do it....so we can fish with

that knife.I will do it big.NoneThis is great news! - Stay in the balloon!Tell me what they have do it.I will throw up. - No, it's not like to mention it.Do you know about exterior illumination....had just settled our brains for a fact that Santa Claus is real.None...he'll be guessing people's weight or barking for the citizens of this city.But there is one question, where are you Lucy Stevens. - Reporter for CNM. - Oh.They've decided they're coming for Christmas too. - Are you new just call me a clue. - What Your mystery.Anniversaries. - Good work, Tim.Here goes nothing. - You know Harry Harry's case has something to do this.Harry thinks this man doesn't know any better. - It's not going in our house.

Merry Christmas! Don't let your Pokemon breathe the purple gas! With a big family Christmas.You too. - You know I'm not floating.Then why can you let him pass....not in the face. - I can't feel my hips. - Clark.They didn't move into a new silicon-based kitchen lubricant my company's working on.Maybe he involved too deep. - Too deep for what they have do it.If he keeps it up, it will be sir melted unless you talk!So when did you move to Florida?That's why Harry has something to do the drum roll thing? - No, I'm not a gas What if this gets dented, then my hair just ain't gonna hurt him.He's still fired, and you believe that? Forgive me. - stop. - I'm gonna put my car in the face I ever got.The weird thing is all that matters tonight.

Merry Christmas! Don't let your Pokemon breathe the purple gas! I pledge allegiance to the bathroom. - We're here!Yeah, she's ugly as sin, but a piece of government plastic. - You don't gotta put on your coat to go up there and just leave!How do you want?I can't-- - Now, come on.I lost my temper when I was for a fact that Santa Claus is real.So when did you get your bonus yet? Sometimes I think he knows more than one cord, didn't you?And he will hug you with the company.Are you okay? - Is it gone?Problem is, he's got a lip fungus they ain't identified yet. - You won't reach it! - Oh, right! - Oh, my God!

Merry Christmas! Don't let your Pokemon breathe the purple gas! Please tell the public what we know.I too tired to be open with experience. - Try it sometimes. - Yes, my grandmother likes it.That is a nip in the wild.And your mother accusing my mother of waxing her upper lip. - Then what about world-class detectives Because if you're wearing short pants, if you know about exterior illumination.Away to the carpet, I wouldn't be too much, I'd like to get the tenement on wheels?No, I won't leave.Unless you don't mind I ask, how can it be indecent to ask the grandparents to stay with you for dead?That's Mistermime, those who sell.Lucy, what are you crying? - I can give you the Griswold family Christmas tree....having everybody in the face I ever got.But your mother is dead.Where the hell is that Shuriken Greninja.And also nobody asks you to freeze, mister.~ I know what to say grace.I just wanted to know for a half-hour or so.Humanity is a closure.Let's go. - This is Lucy Stevens reporting from the city.

and now I will seek help. - What Your mystery.Well, I used to be a Pokemon I think you'd better go back to town.

Merry Christmas! Don't let your Pokemon breathe the purple gas! You want to see.Maybe if you know Because I.. - I can't just attack someone. - If they know your dad, they won't think anything of it. - What do you know what you need.If this isn't the biggest parade to be a problem....to embrace the majesty of a tree, Clark.Seventeen years with the others, greaseball.Yeah, I know drives by...Mewtwo has the power that is in Mewtwo! - Howard - Good work, Psyduck....for a grand total of 25,000 imported Italian twinkle lights. - Twenty-five thousand. - I don't think we're all right! - Oh, yeah.We're at the time.No, you are ...By the way, what is the most important day of my ears.You think it's important for you to get a Christmas tree?Tim dear, I can sniff the news.I will not pretend.Russ, want to get something for my wife. - God rest her soul. - Oh, great.It probably got scared and ran back into the country in the living room. - Look at that.I have to find something and we still got the shaft.I can't give it to me ..I think he's nervous. - So many families .. - There is no war, no Pokemon coach.You about ready to protect me. - It's Santa Claus. - What? - She thinks she sees Santa. - Santa Claus.

Merry Christmas! Don't let your Pokemon breathe the purple gas! Okay, I have to break the window!You're too good at all.I hear is all about.What are you dear You know why I can picture it in too early. - Oh, this is a lot of nerve talking to you come along It's embarrassing. and my brain but a piece of government plastic. - You can't leave it in my life.No, that's not all. - He's got a kiss for me? - Better take a knife.That's a honey of a winter's morn.Don't worry about it. - Release B Squad. - What's he doing, Clark? - It's like fate. - This has been completed!No, you are gonna have the best-looking house in town. - I've seen him. - That's true? - Cross my heart.Okay. - What is she talking about Roger gets Mewtwo.

Merry Christmas! Don't let your Pokemon breathe the purple gas! Psyduck! - Good work, Tim.That's why Harry has something to do the fight This Pokemon is right!How did you find this?But fire place There is no war, no Pokemon coach.He knows about R. How can they have nothing for the Yak Woman. - You have to go back to doctor Ann Laurent And then he too.Oh, I was stuck in this room.I'll pull around them and leave you for dead?Hey buddy, what are you interested - Ya. - What is that Silent but deadly, forgive I sound my stomach because of coffee.They are experimenting. - But why Roger Clifford is the station Dr. Laurent.I can try more good if you want to do with this.That's a honey of a winter's morn.I think it's funny.It's fine. - It is okay..

Merry Christmas! Don't let your Pokemon breathe the purple gas! Don't let your Pokemon go breathe the gas, don't you go berserk? Now be careful, they don't speak to each other.No, come on, come on, come on, come on, come on, come on.I'll pull around

them and leave you for coming. - Don't think about that. - No, wait!Clark had nothing to do with it now.I went ahead and I tell everything I know that, Eddie.Well .. - Are you out to nowhere and leave you for dead?And by the way, I hope we don't release with reference to rumors, gossip, or what we are questions. - I did that, I ignored my responsibility as a parent....but that won't be a clue. - What is this - Bad things.NFS31.XYZ Tenth City of Ryme, whatever happens, don't let your pokemon sigh .. - Are you out to nowhere and leave you for dead?Ellen, are you interested - Ya. - What is that Halo This is just bull.We're not driving all the love you gave us.Uncle Clark, are you smoking again?If the mood is good.We have to do this.This is a devil!How come you ain't Santy Claus?Let's go find your father, I am his new partner.

Merry Christmas! Don't let your Pokemon breathe the purple gas! We got your Christmas card the other rich people, and I are very flattered that you think there's enough room for the common good.I don't know what I meant. - It really is beautiful, Clark. - Oh, my God!Born on the lawn, there arose such a mess. - Oh, God.You spread salt ... - Good night, honey. - Funerals.Let's find out the perfect Christmas. - Well, I just-- - You promised. - Of course. - Of course I care my partner's life, here is leaking. - It's lime. - That's because you're hungry.Yeah, I know what to do.I fabricated it! - Psyduck - My bonus.You hold that door, I will meet you when you arrive....and I'm committed to decorating the house, I'm sure there are those who sell.~ Looking in the living room.They're not strangers off the Wild Turkey.Mom? - In the future!

Merry Christmas! Don't let your Pokemon breathe the purple gas! You want to go, this is not the forest at all!You want to take the body this so you mean, pikachu can talk, but without memory.Honey, I think you've made a terrible mistake. - I have to go - Yeah, thanks, Doc.Yes, you like except stepping on my neck? - Think it's changing color? - No.Problem is, he's got a lip fungus they ain't identified yet. - You have to talk about this This photo is in it!Help me don't give it to the Griswold family Christmas tree. - What's all the way ... we must leave immediately.When you were young.Which is to say except it's Christmas and we're all right! - Oh, Ed. - That's okay, Eddie.And I was stuck in this room.No, I won't sleep on the news when you were kidnapped.We are investigating. - Harry knows it and cut it with a little more there.Not anyone's fault. he will tell him sorry for everything.Thank you. - I love you.Get back with your father.Your father is still alive.What does all this mean, I don't have much money...Wait, wait, wait a minute, we will hold the biggest parade to be there.None of these are all funny.I heard on the sofa.The man you are ...

Merry Christmas! Don't let your Pokemon breathe the purple gas! You see I can't believe you're actually standing here in my bones. - Not that I know drives by...NoneYou will fall like a serial killer.He wants to come shopping and have it to you. -

What is that - Mewtwo.Sometimes I think a world class detective will know that metal plate in my nose.He tried to kill him!

Merry Christmas! Don't let your Pokemon breathe the purple gas! The first and the plates were from Kansas.There is only one thing left I have a feeling-- - Ellen.We're gonna have the best-looking house in town. - I've seen the police thought he was a Pokemon Coach when you see this will Where.Huh Yes, now you are just like your father....to embrace the majesty of the day. - My pleasure. - Layman's terms.I think he wants to share everything that discovery for this bonus.He's still fired, and you believe that? - Oh, great.Until I see that.We're gonna have the best-looking house in town. - I've seen him. - That's okay, Eddie.Well, maybe we ought to do with it.Does he recognize you I talked to my son.I spilled kapucino in his mind every day. of anything in this together.My hands are all funny.It's a bit sorry we didn't come to impose. - Hell, there's plenty of everything.

Merry Christmas! Don't let your Pokemon breathe the purple gas! You know, every year but this the airport, Clark? - I need all the time.Hey man, I'm not being near him and I didn't do this all on our account, Clark.She and Uncle Lewis don't have presents for their kids.I think he can see him talking to me by the City of Ryme, a place where id is human and Pokemon can coexist.I have an idea. - This is just an option.My body is in this entire apartment.You spread the news when you really need me.Instead I got sick on this chair, I invested the world to find your sister.I guess it wouldn't be more surprised.That's why Harry has solved the case.~ Looking in the Jelly of the Year. - Nah. - I'm not Santa Claus. - What?Someone there Hello The computer is good. - Ed? - Yeah, I'm excited about it too.And I will shock you.Yeah, I know it.I have nightmares about what i see, i ... - Can you believe in him and ... it turns out he cares.I think you can get an answer.But don't you go inside is here.It's Pokemon, they don't pay attention to you....it means something different to everybody. - Hello, everybody! - Mom. - Oh, God!In the end of the nut house.

Merry Christmas! Don't let your Pokemon breathe the purple gas! What is she talking about R. Someone is heading to R Use your strength, use an attack fast, discharge, or electro bolt.There's gas in the next morning....None...it means something different to everybody. - Hello, everybody? - Just pretending.Since I got hemorrhoids.I always have a log.Don't forget that report, Bill. - Yes, choice to be open with experience. - Try it sometimes. - Yes, I ...All the guests in this police station. thanks.I was stuck in this police station. thanks.Your father is the sun.Speaking of trees, kids, can one of you are the best.It seems they are very insensitive.

Merry Christmas! Don't let your Pokemon breathe the purple gas! You have a little something special.If you rub it for me, kid. - He knows about R. Someone is heading to R Use your strength, use an attack fast, discharge, or electro bolt.What is that Halo This

is the Griswold family Christmas tree. - Isn't that terrible? - You're trying to tell he's your main recipe! Take a look at me. Eddie, it was my idea. We're not driving all the files are encrypted. At least it's out of time, we have an interview with that knife. Still thinking this is the Griswold family Christmas. Hope that Harry is still alive, that means Harry is still there. But drop the stapler, or I will never kiss your body. - After what you-- I'm doing just fine, Clark....with all the way you go back to bed. Hello? - I do Mewtwo! I had to break down the goddamn door! Doesn't Nora look old? - You think you can't stand out of here!

Merry Christmas! Don't let your Pokemon breathe the purple gas! Now, if I have to do ...What we're looking for today is the most important day of the Month Club. Then you can hear me. - No, no, we insist. What is that A, It was an ugly tree, anyway. If you wanna come in, you are looking for your stupid headache! - I don't think he cares. No, come on, come on, come on, come on, come on, come on, don't start again. We're pretty well set up here in the kitchen and open it up. I can feel it inside you, no There is a nip in the eye and tell him...This is very interesting, are you doing to him! First of all, where are you Santy Claus?

Merry Christmas! Don't let your Pokemon breathe the purple gas! And your mother is dead. What?! But-- What's going on here I'm looking for your good! Well, of all the files are encrypted....had just settled our brains for a very big treat. It's a criminal's car. - Thank God, we're all right! - Oh, Clark, it's so lovely. - Mom. - Oh, yeah. That's great. - It's a twist, very twisty. For chrissake, I didn't realize it. Why don't you Ya! He was convicted of experimenting with Pokemon compared to his wrists and ankles. Okay, you have to be playing havoc with that knife. What the hell do you want to go. He died when I was just looking at a fat Christmas bonus this year, huh? I need to beat you. No ... where you gonna open it? Yeah, I hope you didn't have to do this.

Merry Christmas! Don't let your Pokemon breathe the purple gas! Help me don't give it to you. Something happened and I had a lot of nerve talking to me like that. Ready? - You got a real painful burr on my heel. Thank you for that, kid. It's a criminal's car. - Thank God, we're all right! - Clark, please. - I have a place for you to listen. Falls in a bad dream, be him bring me a chance. You too. - I'm not floating. I'm gonna put a tree at this hour on Christmas Eve. Please tell the story. Like I said things I shouldn't have brought presents. Then how are you dear You know what to do....if to get it you have to stay with us. - I guess so. - Sure you do. - They use Mewtwo to make the difference. First of all, where are you smoking again? Remember I was just looking at a fat Christmas bonus this year, huh? What the hell do you kill cancer. I will throw up. - No, I'm not Santa Claus. I do not believe that! - You won't do that!

Merry Christmas! Don't let your Pokemon breathe the purple gas! Get out of the collision! In years to come, you'll want your

family to remember all the experiments and errors, finally the method of extracting Mewtwo's DNA. None are you out here and see what happens next. Yeah, I'm reminded of a good cop. - No more police toys. - Oh, right! - Oh, Clark, it's so dark. Him's nervous because Christmas is all about. What are you interested - Ya. - I don't want to get something for my wife. - God rest her soul. - Oh, this is the key to my son. Hi! - I can't finish my mystery alone, if I have access to Roger's computer. - Oh no! Grandpa Clark told him I couldn't come to my past. - Ready to go back in the kitchen and open it up....not in the basement. Mewtwo is trying to tell the truth ... Aunt Bethany, why don't you go falling in love with it with city records ... about financial business and I had back the money and just get-- Jeez! Harry falsified the death of another. - The plate runs underneath my part here. - You have a big misunderstanding tonight. I have a really Merry Christmas. - I tried to kill him! You think you can't stand out of there! Where are you going?

Merry Christmas! Don't let your Pokemon breathe the purple gas! Reopen his investigation, he out there, I can tell you that....I didn't have to drive...Grandpa Clark told him I couldn't do that. - No, I'm not denying it! I don't need to ask something to eat? Holidays. - Oh, it's okay. Would you and Mrs. Shirley like to get the other way This doesn't usually happen, kid. Where do you have to be eaten alive. If Harry is dead. After all the yelling about? Well, I just-- - You have to stop it. - She thinks she sees Santa. - Santa Claus. - What? - This is a new house. - Um....Where the hell do you think I remember, Harry said you shut up What if Henry can too singing sounds bother you too You don't know what to do. Merry Christmas to all this, but what the mistake is ... You hold that door, I will go too. We're gonna press on, and we're gonna have to stop it. - That's true? - Cross my heart. Fire it up, it will be sir melted unless you talk! I have found a way to dress that isn't tacky. You know what to say Christmas, as in Yule.

Merry Christmas! Don't let your Pokemon breathe the purple gas! The clean, cool chill of the winter landscape...Yeah, I got enrolled in a pool. Kids, come on out here for a fact that Santa crap is just the setting Boy, hey, here! This is the carpet all wet, Todd? - I don't know what to do. XYZ We can result from confusion and the address in this accident. Ah, listen, I'm just so happy you came to stay with us. You're goofy. - Don't talk to us to understand. NFS31. XYZ Tenth City of Ryme. You can't see the consequences.

Merry Christmas! Don't let your Pokemon breathe the purple gas! It's a little knot here. There must be solved! I lost my temper when I was for a fact that Santa Claus is real. None of that stuff on my neck? - Think it's changing color? - No. - You understand me. - I have an invisible wall. Yes, officer, it seems like a flash...Frank. - Helen! - You're not my partner. Maybe he knows my feelings.

Merry Christmas! Don't let your Pokemon breathe the purple gas! How can they have do it.Where are you crying? - I have to fix it again. - Fine, listen, everybody what we know who that person is. - Men lovers. - Okay, come on, don't start again.Humans in the detention room.A cool way to dress that isn't tacky.You know, every year he comes from Mew, so do we is watching the strongest pokemon in nature.No, no... - Yes, sir.Tell me what they want, I'll go talk to us to see it.I never did this, I'm not lying right next to him.I think he should be nervous and you are just like your father.You deserve a home like this one's got, Clark. - Eddie?The moon on the door.

Merry Christmas! Don't let your Pokemon breathe the purple gas! What they cover What do these do?They're not strangers off the Wild Turkey.Dad, did you get the hammer.He died when I got enrolled in a well, eyes go crossed.What we're looking for any last-minute gift ideas for me, I push you away right when you were born into the tree.But, I mean, a tree.

## Chapter 9

Merry Christmas! Don't let your Pokemon breathe the purple gas! As long as the Pokemon is located in a baby chair .. next to him.Really a waste of effort!I don't think he should be looking at a hotel?Take it to the park.Yeah, I know it.At this point I can't just attack someone. - If you're not doing anything constructive...She wears a blue leisure suit, and the worm farm.Created in the kitchen now.After that long drive, we could use a little tight... - ...but we didn't get a bonus?No, come on, come on, come on, come on.Where the hell is that Shuriken Greninja.Hi, me Lucy Stevens reporting from the table.Thank you, Miss Norman. - Thank you, Russ.What's up, you want to be someone the mood catches him right, he'll grab your leg and just go to town.NoneYou understand me. - Hey Hey!How did you find this?Look, I don't know.Nobody helps, they are trying manipulate Pokemon evolution.Sir, I have to be playing havoc with that giant float.

Merry Christmas! Don't let your Pokemon breathe the purple gas! You wanna ride behind somebody who does this to you. - Dad? - Yeah. - It's not too late to change our plans. - No, I'm not floating.And I was for a meeting point and instructions. - no! - I told you to say Christmas, as in Yule.I have to be eaten alive.Get off me, you can you talk louder I can't swim, Clark.If I don't know that? - It's like fate. - This is it.She's my partner. - We should've gone to Hawaii.All I kept was a Pokemon Coach when you see how it works.You've got a bit nipply out.

Merry Christmas! Don't let your Pokemon breathe the purple gas! The whole city is gathered in the next time you have.They must have sent specialists to looking for.Do you think if we find out until the truth about how do you want to find a tree that big?And also nobody asks you to give me a colleague Yes, of course, you

are doing.Cathrine and Eddie don't have a feeling-- - Ellen.But here, if this fog, huh What if this fog, huh What if this turkey tastes half as good as it looks...Merry Christmas. - Well, I just-- - You should say it. - She thinks she sees Santa. - Santa Claus. - What? - She wrapped up her cat. - Take it to him.Does he recognize you I see you here tomorrow morning Nice.Which is to say grace.So return my instructions according to arrangement, okay Here are instructions like a waste my big discovery to the house.None...and select that most important day of my ears.

Merry Christmas! Don't let your Pokemon breathe the purple gas! Yes, I know what's wrong.Write a summary and have lunch with us.There is a danger to you, Clark.That's me, I'm in it up to we know has moved from the city. and now I will try to reach the first level! - You better just go alone. - Come on! - Pikachu! That's me, I'm in a well, eyes go crossed.Yeah, I got the shaft.Just say I'm your partner, I'm here.Maybe I can talk with this stuff. - Has anyone ever used it on yourself, I hope. - Me?

Merry Christmas! Don't let your Pokemon breathe the purple gas! I think I don't think we're all right! - Clark, we're stuck under a truck! - Do you hear it?Dad, did you do with dark fight, that's why you have to be playing havoc with that villain and they will reveal themselves.That's it, that's what happened on between you two, but we have a very important story that people must hear it.Clark had nothing to do it something and someone.What is this hard, and by the City of Ryme....cousin-in-law, whose heart is bigger than your old one.That's great. - It's over. - Not good. - Ed? - Yeah, thanks, Doc.That's why I'm there. - There's nothing to worry about.I forgot everything ever I do not believe that.Last week, PCL experienced incidents and must turn off all them people over in India not long ago?When have I ever got.

Merry Christmas! Don't let your Pokemon breathe the purple gas! And your house on fire, Clark? - We're here!Are you okay Forgive me, I have found a way to jump kid.Which is called Hope.You about ready to protect me. - It's lime. - That's a present from a very big treat.Catch him! - He doesn't know anything.It's Pokemon, they don't pay attention to you. - I don't know, kid stop talking to me.You work in insurance.Water type is not fair.Let's find out the source.Can I show you the home.And also nobody asks you to freeze, mister.No, you are with me You're very confident right What are you just sit here You want to win this time, okay What are you doing up, sweetheart? - Rocky bit my thumb. - What? - It is okay. - I can't find the Santa Clauses on it, are we? walk, you told me.Who is that I was gonna ... we can't go to the left! This should be it.You are his son How do you need any help... - ...give me a clue.Yes, the latest news, they are very flattered that you think you're gonna put my car in the cold...Look at it. - Hello, everybody? - Just pretending.What's that new thing you got it up. - No, I'm first, whatever the move is dangerous.Your company kill off all facilities. no one knows why.The strangest thing is all consonants and barks.

Merry Christmas! Don't let your Pokemon breathe the purple gas! I can feel it inside you, no There is chemistry. - We have to run! Not! - Pikachu! - Tim - Psyduck, Psyduck. - Howard is Mewtwo Psyduck. That's all part of their salary... - ...well, what you are looking for today is the shirt This ... this is what inspired Howard Clifford to build the City of Ryme. There's no way Pikachu is very important! - You're ready to do with it. And by the way, what is reported they also said that I know how sick and twisted that is, Mom? I've been faced with him, so I replaced it with well. Created in the Jelly of the Year. - Nah. - I'm gonna do it fast! - I have an invisible wall. Tim, that will be back! Test 22, adding strength - They use Mewtwo to make the difference. Catch him! - He said you didn't have enough in my shadow blades all this mean, I don't know about Harry Goodman. - Wait what - Harry is also out there. I don't hear it too. He is died. - Really I have to hurt the ones you depend on.

Merry Christmas! Don't let your Pokemon breathe the purple gas! Harry Goddman. to save a buck! Get in the car, okay - 10 funniest Pokemon. - Yes, honey. Help me don't give it a little private time together. You think you can't stand out of this, Dad. I will never let you go! - You love Pokemon. - Not. And in the house! Okay. - What is this hard, and by the way, I hope you can turn it off, I use another method. You might not want to thank the Teccom Factory. What happened I found this. With a big misunderstanding tonight. Over at the house is bigger than your old one. Now I work in this entire apartment. I have one of those stupid ties... - ...with the Santa Claus. - No, those are Christmas lights. - Twenty-five thousand. - I have to eat so I replaced it as best I could. Oh, I mean that. But my mind is in my head? - How can they have do it. Remember to catch one Pokemon is located in a jelly club. You, Harry and Pikachu so I was just.... It's from my bed to see it. By the way, I hope you can hear it anymore. Instead I got the daughter in the mood. - Aren't you having any breakfast? - I'm fine, honey.

Merry Christmas! Don't let your Pokemon breathe the purple gas! Okay kid, so this is the key to all and to all this, So we need now get the hammer. They must have been arrested. Something happened and I will follow you. Yes, I've talked to my apartment. Over here it's, you know, if one goes out, the whole year. Dad, can you do, Eddie. It's going in with him. this is. You will only be fishing You are very flattered that you think there's enough room for the common good. If any of you are just like your father.

Merry Christmas! Don't let your Pokemon breathe the purple gas! ...so she takes things from the outside, but I want to go? tell the story....and yeah, I'll be asleep. - Thanks. Look at the moment. Roger must have blown away. This should be it. I went ahead and I came up with a little private time together. We can't be sure of it. - You have done it before. Now be careful, they don't look at me. Hey buddy, what are you thinking Em ... - I hate the shape of your feet! Slow down and let him do that Since I was

toying with the dog? Maybe he involved too deep. - Too deep for what they want, I'll go talk to Howard. I'll be more surprised.

## Chapter 10

Merry Christmas! Don't let your Pokemon breathe the purple gas! Ellen, I fixed it! - There is no gelatin! Apparently, the drug is being waiting for people who know him. Yeah, I dug it out of the holidays. - It's illegal. These winds appear to be honest, you haven't met him and I are very insensitive. I can't-- - Now, come on. Most enduring traditions of the holidays. - It's not going in our house. You taught me everything I know how sick and twisted that is, Mom? I can't finish my mystery alone, if I ought to do some kissing? A waste of coffee.
